DEAR COUNTY DIRECTORS OF SOCIAL SERVICES:

ATTENTION: Directors, Work First Program Managers and Supervisors

SUBJECT: Work First Representatives' County Assignments

The Division is committed to providing excellent customer service and technical support to each county Department of Social Services. This includes addressing all areas of concern that impact program services. The Division reviewed the Work First Local Support Team Assignments for county technical support needs and for ways to maximize state resources. Based on this review, changes have been made in the Work First Representatives' county assignments effective **May 1, 2009**.

Work First Representatives will contact counties for technical support needs. The Work First Representatives' County Assignments are attached. Please contact your assigned Work First Representative, if you have questions.

Sincerely,

A handwritten signature in cursive script that reads "Dean Simpson".
