SUBJECT: Workers Compensation Health Care Providers

The Division of Social Services purchases workers compensation coverage for Work First Program participants engaged in Work Experience and Community Service activities. The insurance carrier is Key Risk Management Services. As part of Key Risk's service, they provide access to CompCareLX, a network of treatment providers and healthcare facilities focused on workers compensation claims.

Effective with the new policy period changes were made to the treatment providers and healthcare facilities for the following counties:

Bladen
Buncombe
Burke
Columbus
Davidson
Davie
Graham

Madison
Rockingham
Northampton
Swain
Transylvania
Yancey

The revised posters will be sent via courier to each of the counties listed above. Please note the changes from the posters you were previously issued and replace with the current posters. Share copies of this information with worksite sponsors.

If your county is not included on this list, the available treatment providers and healthcare facilities remain unchanged in your service area.

If you have any questions, please submit them to workfirst.support@dhhs.nc.gov.

Sincerely,

A handwritten signature in cursive script that reads "Dean Simpson".
