Dear County Directors of Social Services

Attention: Work First Program Managers and Supervisors

### **Re: Workers Compensation Coverage**

The Division of Social Services purchases workers compensation coverage for Work First Program participants engaged in Work Experience activities. The insurance carrier is Key Risk Management Services

As part of Key Risk's service, they provide access to CompCareLX, a network of treatment providers and healthcare facilities focused on workers compensation claims. Posters, which list the CompCareLX providers available in your area in an event of workplace injury, will be mailed to your agency.

Please share copies of this information with worksite sponsors. Please contact the applicable Program Representative if there are questions.

Sincerely,

A handwritten signature in cursive script that reads "Dean Simpson".

Dean Simpson, Chief  
Economic and Family Services Section
