Re: Door Prizes for Food Stamp Conference

The time for our Conference is getting closer and we are excited about the opportunities the Food Stamp Conference participants will have for enhancing their program knowledge and skills. All across the state, Food Stamp Caseworkers labor hard every day to provide accurate and timely benefits to the citizens of our counties. Your county can help us celebrate the work of our conference participants through donating one or more door prizes to be given away at the Conference. The door prizes can be of general interest or be representative of your county.

Door prizes should be tagged as being from your county and brought to the conference on Tuesday, April 10, 2007. You can bring your door prizes to the Registration Desk when you register.

We appreciate your willingness to help honor the efforts of our caseworkers and your contribution to the success of this conference.
