Thank you.

County Name: _____

Director Name: _____

1. Do you believe there is a need to allocate more funds into the Low Income Energy Assistance Program (LIEAP) and less to the Crisis Intervention Program (CIP)?

_____ YES _____ NO

If no, please provide a brief explanation why.

2. If the North Carolina Association of County Directors of Social Services recommends the allocation of more funds into LIEAP and less to CIP, what would be your recommended percentage for each program? The current percentages are approximately 41% LIEAP; 30% CIP. The balance of the block grant is used for administrative costs, weatherization and Commission on Indian Affairs outreach activities.
