Re: Door Prizes for Food and Nutrition Services Conference

The time for our Conference is getting closer and we are very excited about the opportunities the Food and Nutrition Services Conference will have for enhancing their program knowledge and skills. All across the state, Food and Nutrition Services Caseworkers labor hard every day to provide accurate and timely benefits to the citizens of our counties. Your county can help us celebrate the hard work of our conference participants through donating one or more door prizes to be given away at the Conference. The door prizes can be of general interest or be representative of your county.

Door prizes should be tagged as being from your county and brought to the conference on Wednesday, June 4, 2008. Please bring your door prizes to the Registration Desk when you register.

We appreciate your willingness to help honor the efforts of our caseworkers and your contribution to the success of this conference.
