**Re: Question and Answer Document for
Food and Nutrition Services
Employment & Training Policy
Changes Effective July 1, 2008**

Dear County Director of Social Services:

Attention: Food and Nutrition Services Managers and Supervisors

On July 1, 2008, changes were made to Food and Nutrition Services Employment and Training policy that impacted families, as well as program staff, throughout North Carolina. Several questions concerning policy and procedural clarifications have been raised with this change. Due to the number of questions received, we believe the most timely and effective method to disseminate information is via Question and Answer (Q&A) documents which are attached. These Q&A's will be incorporated into the next revision of the Food and Nutrition Services Certification Manual as needed.

If you have any questions, please contact your Food and Nutrition Services & Energy Program Representative.

Sincerely,

A handwritten signature in cursive script that reads "Dean Simpson".

Dean Simpson, Chief
Economic Services Section
