**Date:** February 22, 2016

The Operational Support Team has developed a MAF-M Budgeting: Determining the AU, BU, NU course for Family and Children Medicaid. This course addresses how to determine the 3 units used when workers have to manually evaluate for medically needy using traditional budgeting rules. This course can be used to train new workers or as a refresher course for experienced workers.

The webinar has been recorded and made available for county staff to review via the NC FAST Learning Gateway. OST training courses can be accessed via the OST Training Folder link located on the NC FAST Learning Gateway home page.
