**Re: Work First Performance Goals
SFY 2008**

Dear County Director of Social Services

**Attention: Work First Supervisors
Income Maintenance/Family Support Supervisors
Work First Case Managers**

The Division of Social Services has established Work First Performance Goals for Fiscal Year 2007-2008. The goals were approved by the Economic Services Committee today. A copy of the performance goals and explanation of measures are enclosed with this letter.

Participation Rate goals are set by federal law. The All-Parent Participation Rate is set at 50 percent and the Two-Parent Participation Rate at 90 percent. New goals were established for Adults Entering Employment. Providing Diversion Assistance goals have been added this year. All other Work First Goals will remain the same for SFY 2008.

Questions concerning this letter, the Work First goals, and the explanations can be directed to the Performance Management/Reporting & Evaluation Management Section at (919) 733-4530.

Sincerely,

A handwritten signature in cursive script that reads "Robin Register".
