**Dear County Director of Social Services:**

**Subject: Client Services Data Warehouse Universe Changes**

The purpose of this letter is to inform the Client Services Data Warehouse (CSDW) users about changes to the DHHS003 universe. This universe contains all the tables of information available for querying with the CSDW tool. These tables include data from the Eligibility Information System (EIS), Employment Programs Information System (EPIS), Food Stamp Information System (FSIS), and Services Information System (SIS).

Effective April 13, 2001, the tables within the DHHS003 universe will be in alphabetical order as much as possible. The source system prefix (EIS, FSIS, EPIS, SIS) will be in front of the table name to identify the system associated with the data. For example, the Check History table will be renamed EIS Check History. The table containing individual-level data for both EIS and EPIS (currently named EIS Individual) will be renamed EIS/EPIS Individual.

We hope these changes will make it easier to use the CSDW. If you have any questions or comments, please contact CSDW Support at 919-661-5940, ext 316.

Sincerely,

A handwritten signature in cursive script that reads "Sherry S. Bradsher".

Sherry S. Bradsher, Chief  
Resource and Information Management
