

# Intensive Child Fatality Reviews

---

Child Fatality Reviews are High Priority for NC DHHS.

Goal: Complete Reviews for Fatality Intakes Received before SFY 2018 by June 30, 2018.

8 staff (5 FT and 3 PT) are working to reduce the child fatality review backlog

- ❖ 1 Child Fatality Review Coordinator
- ❖ 4 Child Fatality Reviewers
- ❖ 1 Temporary Reviewer
- ❖ 2 Additional NC DSS Staff

# Intensive Child Fatality Reviews

---

Since July 1, 2017:

- ❖ 38 child fatality reviews have been conducted
- ❖ 49 child fatality reviews are scheduled to be completed by June 30, 2018
- ❖ 16 child fatality intakes have been screened in for SFY 2018
- ❖ 28 child fatality cases have been screened in, but have a DA Hold
- ❖ 52 child fatality cases are pending medical examiner information needed for screening decision

# Child Fatality Prevention System Summit

---

- ❖ When: April 9 and 10, 2018
- ❖ Where: McKimmon Center at NCSU in Raleigh.
- ❖ Organized by: The State Fatality Task Force.
