

NC Medicaid Reform and Long-Term Services and Supports: A Learning Series

What

The Division of Medical Assistance and the Division of Health Benefits are jointly sponsoring a webinar-based learning series on *NC Medicaid Reform* activities from an LTSS perspective. The goal is to provide stakeholders with concrete, current information about:

- 1) The goals of NC Medicaid Reform and the requirements of the Medicaid Transformation Act (SL 2015-245), enacted in September 2015.
- 2) A tutorial on key concepts related to managed care. Topics include beneficiary enrollment, beneficiary protections, provider rate setting methodology, service development, provider access and quality management.
- 3) An overview of NC's proposed 1115 waiver and anticipated activities.

Intended Audience

This webinar series is open to all interested stakeholders. The webinar content will be targeting Medicaid LTSS stakeholders, including provider organizations, Medicaid beneficiaries and families and advocates.
