Dear Governor Cooper,

The NC State Consumer and Family Advisory Committee (**State CFAC**), would like to extend an invitation for you to attend a future meeting of our group and share your thoughts on Mental Health, Developmental Disabilities and Substance Abuse. Our committee is mandated under General Statute 122C and included in the State Plans for the Division of MHDDAS. The mission of State CFAC is to advise the NC Department of Health and Human Services and the General Assembly regarding the planning and management of North Carolina's state-wide public mental health, developmental disabilities and substance abuse services.

We meet the second Wednesday of every month from 9:00am to 3pm. The meeting usually is held on the Dorothea Dix Campus. We can adjust our meeting agenda to accommodate your schedule any month you can attend. Please contact either myself or Benita if you have any questions or if we can put you on the agenda for one of our upcoming meetings.

Sincerely,

Benjamin Coggins, Chairman  
State Consumer & Family Advisory Committee
