

SUICIDE PREVENTION AWARENESS

Help is a Call or Click Away – No One is Truly Alone

Monday, Sept. 11, 2023 • 12:00 p.m. – 1:00 p.m.

September is Suicide Prevention Awareness Month. Suicide is a state and national public health crisis impacting people of all ages across all socioeconomic, racial and ethnic backgrounds. In 2022 in North Carolina 1,539 people ages 10 and older died by suicide, the 9th leading cause of death in our state.

For Suicide Prevention Awareness Month, the Division of Mental Health, Developmental Disabilities, and Substance Use Services will host a webinar to raise awareness for suicide prevention and provide resources for the community when someone feels lost, helpless, hopeless, or alone.
