

NC DEPARTMENT OF
**HEALTH AND
HUMAN SERVICES**

ROY COOPER • Governor

KODY H. KINSLEY • Secretary

SUSAN G. OSBORNE • Assistant Secretary for County Operations
for Human Services

January 25, 2022

Dear County Directors of Social Services

Attention: Energy Administrators, Managers & Supervisors

Subject: Crisis Intervention Program (CIP) funds reallocation

Priority: Time Sensitive, Response Required

In continuing efforts to assist with heating cost, a reallocation is being conducted for CIP. Funds will be reallocated from counties who will not spend all their allocation based on their spending patterns and issued to counties in need of additional funding. There are several counties who are out of funding for this program. Please indicate on the attached survey form if your county is willing to have CIP funds reallocated to other counties or if you are interested in receiving CIP funds reallocated to your county. Indicate the amount your county is willing to reallocate as well as the amount your county is requesting. Depending on the amounts reallocated, counties may not receive the exact amount that is requested. Return the Reallocation Survey by close of business on Monday, January 31, 2022.

If you have any questions, please contact Jasmyne Simmons via email at Jasmyne.Simmons@dhhs.nc.gov.

Sincerely,

Carla L. West, Senior Director for Economic Security
Division of Social Services, Economic and Family Services Section
