Expiration Date: 12/31/2023

THE PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) Use of this model plan is optional. However, the information requested is required in order to receive a Low Income Home Energy Assistance Program (LIHEAP) grant in years in which the grantee is not permitted to file an abbreviated plan. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Section 1 Program Components

Program Components, 2605(a), 2605(b)(1) - Assurance 1, 2605(c)(1)(C)

1.1 Check which components you will operate under the LIHEAP program. (Note: You must provide information for each component designated here as requested elsewhere in this plan.)		Dates of Operation	
		Start Date	End Date
<input checked="" type="checkbox"/>	Heating assistance	12/01/2022	03/31/2023
<input type="checkbox"/>	Cooling assistance		
<input checked="" type="checkbox"/>	Crisis assistance	10/01/2022	09/30/2023
<input checked="" type="checkbox"/>	Weatherization assistance	10/01/2022	09/30/2023

Provide further explanation for the dates of operation, if necessary

North Carolina's Energy programs run on a State Fiscal Year July-June each year. Our crisis program is year round but our heating program is available during December- March.

Estimated Funding Allocation, 2604(C), 2605(k)(1), 2605(b)(9), 2605(b)(16) - Assurances 9 and 16

1.2 Estimate what amount of available LIHEAP funds will be used for each component that you will operate: The total of all percentages must add up to 100%.	Percentage (%)
Heating assistance	40.00%
Cooling assistance	0.00%
Crisis assistance	36.00%
Weatherization assistance	14.00%
Carryover to the following federal fiscal year	0.00%
Administrative and planning costs	10.00%
Services to reduce home energy needs including needs assessment (Assurance 16)	0.00%
Used to develop and implement leveraging activities	0.00%
TOTAL	100.00%

Alternate Use of Crisis Assistance Funds, 2605(c)(1)(C)

1.3 The funds reserved for winter crisis assistance that have not been expended by March 15 will be reprogrammed to:					
<input type="checkbox"/>	Heating assistance	<input type="checkbox"/>	Cooling assistance		
<input type="checkbox"/>	Weatherization assistance	<input checked="" type="checkbox"/>	Other (specify:) our crisis component is a year round program that serves heating and cooling crisis needs. Funds not used for heating by March 15th will remain with the crisis component and can be used for cooling crisis needs. All funds not used by the end of the State fiscal year are carried over into the next fiscal year in accordance with LIHEAP guidelines.		
Categorical Eligibility, 2605(b)(2)(A) - Assurance 2, 2605(c)(1)(A), 2605(b)(8A) - Assurance 8					
1.4 Do you consider households categorically eligible if one household member receives one of the following categories of benefits in the left column below? <input type="radio"/> Yes <input checked="" type="radio"/> No

Section 2 - HEATING ASSISTANCE

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES
ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92,02/95,03/96,12/98,11/01
OMB Clearance No.: 0970-0075
Expiration Date: 12/31/2024

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 2 - Heating Assistance

Eligibility, 2605(b)(2) - Assurance 2

2.1 Designate the income eligibility threshold used for the heating component:

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	All Household Sizes	HHS Poverty Guidelines	130.00%

2.2 Do you have additional eligibility requirements for HEATING ASSISTANCE? Yes No

2.3 Check the appropriate boxes below and describe the policies for each.

Do you require an Assets test? Yes No

Do you have additional/differing eligibility policies for:

Renters?	<input type="radio"/> Yes <input checked="" type="radio"/> No
Renters Living in subsidized housing?	<input type="radio"/> Yes <input checked="" type="radio"/> No
Renters with utilities included in the rent?	<input checked="" type="radio"/> Yes <input type="radio"/> No

Do you give priority in eligibility to:

Elderly?	<input checked="" type="radio"/> Yes <input type="radio"/> No
Disabled?	<input checked="" type="radio"/> Yes <input type="radio"/> No
Young children?	<input checked="" type="radio"/> Yes <input type="radio"/> No
Households with high energy burdens?	<input type="radio"/> Yes <input checked="" type="radio"/> No
Other?	<input type="radio"/> Yes <input checked="" type="radio"/> No

Explanations of policies for each "yes" checked above:

North Carolina focuses on special population groups with households that have elderly individuals aged 60 or older, disabled individuals, and young children in the home age 5 or younger. These special population groups may receive additional benefits or a longer timeframe to apply than the general public.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.4 Describe how you prioritize the provision of heating assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

As stated above on question 2.3, North Carolina gives one full month to just the elderly and disabled vulnerable population to apply for the heating program before it is available to the general public to ensure they receive benefits before funds are exhausted. Also with remaining funds from programs, we have issued additional supplement payments to these vulnerable populations.

2.5 Check the variables you use to determine your benefit levels. (Check all that apply):

<input checked="" type="checkbox"/>	Income
<input checked="" type="checkbox"/>	Family (household) size
<input checked="" type="checkbox"/>	Home energy cost or need:
<input checked="" type="checkbox"/>	Fuel type
<input type="checkbox"/>	Climate/region
<input type="checkbox"/>	Individual bill
<input type="checkbox"/>	Dwelling type
<input type="checkbox"/>	Energy burden (% of income spent on home energy)
<input type="checkbox"/>	Energy need

Other - Describe:

North Carolina has two Energy programs, both are based on Federal Poverty Level (FPL) when evaluating the household income, household size and what their energy need is.

Benefit Levels, 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

2.6 Describe estimated benefit levels for the fiscal year for which this plan applies

Minimum Benefit	\$300	Maximum Benefit	\$500
-----------------	-------	-----------------	-------

2.7 Do you provide in-kind (e.g., blankets, space heaters) and/or other forms of benefits? Yes No

If yes, describe.

For our heating program it is a one time vendor payment for eligible households.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

Section 3 - COOLING ASSISTANCE

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES
ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92,02/95,03/96,12/98,11/01
OMB Clearance No.: 0970-0075
Expiration Date: 12/31/2024

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 3 - Cooling Assistance

Eligibility, 2605(c)(1)(A), 2605 (b)(2) - Assurance 2

3.1 Designate The income eligibility threshold used for the Cooling component:

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	All Household Sizes	HHS Poverty Guidelines	150.00%

3.2 Do you have additional eligibility requirements for COOLING ASSISTANCE? Yes No

3.3 Check the appropriate boxes below and describe the policies for each.

Do you require an Assets test? Yes No

Do you have additional/differing eligibility policies for:

Renters?	<input type="radio"/> Yes <input checked="" type="radio"/> No
Renters Living in subsidized housing?	<input type="radio"/> Yes <input checked="" type="radio"/> No
Renters with utilities included in the rent?	<input checked="" type="radio"/> Yes <input type="radio"/> No

Do you give priority in eligibility to:

Elderly?	<input checked="" type="radio"/> Yes <input type="radio"/> No
Disabled?	<input checked="" type="radio"/> Yes <input type="radio"/> No
Young children?	<input checked="" type="radio"/> Yes <input type="radio"/> No
Households with high energy burdens?	<input type="radio"/> Yes <input checked="" type="radio"/> No
Other?	<input type="radio"/> Yes <input checked="" type="radio"/> No

Explanations of policies for each "yes" checked above:

For households that have utilities included in their rent, the rent agreement must specify the renter is responsible for the utility bill and provide an itemized bill to show the utility portion amount. Also, the housing authority/landlord must register as a vendor and sign a vendor agreement in order to receive a payment from the Crisis program for a cooling bill.

3.4 Describe how you prioritize the provision of cooling assistance to vulnerable populations, e.g., benefit amounts, early application periods, etc.

North Carolina currently does not have an on-going cooling program, when additional funds are granted they are used for a cooling supplement to households that were eligible for the heating program during the year.

Determination of Benefits 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

3.5 Check the variables you use to determine your benefit levels. (Check all that apply):

<input checked="" type="checkbox"/>	Income
<input checked="" type="checkbox"/>	Family (household) size
<input checked="" type="checkbox"/>	Home energy cost or need:
<input type="checkbox"/>	Fuel type
<input type="checkbox"/>	Climate/region
<input checked="" type="checkbox"/>	Individual bill
<input type="checkbox"/>	Dwelling type
<input type="checkbox"/>	Energy burden (% of income spent on home energy)
<input type="checkbox"/>	Energy need

Other - Describe:

Benefit amounts are based on income and household size just like the heating program.

Benefit Levels, 2605(b)(5) - Assurance 5, 2605(c)(1)(B)

3.6 Describe estimated benefit levels for the fiscal year for which this plan applies

Minimum Benefit		Maximum Benefit	
	\$300		\$500

3.7 Do you provide in-kind (e.g., fans, air conditioners) and/or other forms of benefits? Yes No

If yes, describe.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

Section 4 - CRISIS ASSISTANCE

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES
ADMINISTRATION FOR CHILDREN AND FAMILIES

August 1987, revised 05/92,02/95,03/96,12/98,11/01
OMB Clearance No.: 0970-0075
Expiration Date: 12/31/2024

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 4: CRISIS ASSISTANCE

Eligibility - 2604(c), 2605(c)(1)(A)

4.1 Designate the income eligibility threshold used for the crisis component

Add	Household size	Eligibility Guideline	Eligibility Threshold
1	All Household Sizes	HHS Poverty Guidelines	150.00%

4.2 Provide your LIHEAP program's definition for determining a crisis.

A household is in a crisis if it is in danger of having their heating/cooling source disconnected, and sufficient, timely, and appropriate assistance is not available from any other source. Each household should be evaluated on a case-by-case basis to determine if there is a heating or cooling crisis.

4.3 What constitutes a life-threatening crisis?

A household is considered to be in a life threatening or health related crisis if the heating or cooling source is disconnected, or the household is currently experiencing or is in danger of experiencing a life-threatening or health-related emergency due to lack of heating/cooling, and sufficient, timely, and appropriate assistance is not available from any other source. Each household should be evaluated on a case-by-case basis to determine if there is a heating or cooling crisis and whether it is life threatening or non-life threatening.

1. A crisis is considered life-threatening if there is no heating/cooling source, or
2. The health or well-being of a household member would be in danger if the heating or cooling crisis was not alleviated, or
3. An illness or medical condition that poses an immediate risk to the health or life of any household member due to a life-threatening medical condition.

A medical statement is not required but can be requested if questionable. The statement does not have to identify the medical condition but must acknowledge that a life-threatening or health risk issue exists. Document what makes the statement of crisis questionable.

Crisis Requirement, 2604(c)

4.4 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households? 48Hours

4.5 Within how many hours do you provide an intervention that will resolve the energy crisis for eligible households in life-threatening situations? 18Hours

Crisis Eligibility, 2605(c)(1)(A)

4.6 Do you have additional eligibility requirements for CRISIS ASSISTANCE? Yes No

4.7 Check the appropriate boxes below and describe the policies for each

Do you require an Assets test? Yes No

Do you give priority in eligibility to:

Elderly? Yes No

Disabled? Yes No

Young Children? Yes No

Households with high energy burdens? Yes No

Other? medically needy Yes No

In Order to receive crisis assistance:

Must the household have received a shut-off notice or have a near empty tank? Yes No

Must the household have been shut off or have an empty tank? Yes No

Must the household have exhausted their regular heating benefit? Yes No

Must renters with heating costs included in their rent have Yes No

received an eviction notice?	
Must heating/cooling be medically necessary?	<input type="radio"/> Yes <input checked="" type="radio"/> No
Must the household have non-working heating or cooling equipment?	<input type="radio"/> Yes <input checked="" type="radio"/> No
Other?	<input type="radio"/> Yes <input checked="" type="radio"/> No
Do you have additional/differing eligibility policies for:	
Renters?	<input type="radio"/> Yes <input checked="" type="radio"/> No
Renters living in subsidized housing?	<input type="radio"/> Yes <input checked="" type="radio"/> No
Renters with utilities included in the rent?	<input checked="" type="radio"/> Yes <input type="radio"/> No
Explanations of policies for each "yes" checked above:	
<p>Renters with utilities included in their rent, since North Carolina sends benefit payments directly to the vendor. Landlord or Apartment complexes have to sign the vendor agreement in order to receive payment on behalf of the applicant like the energy vendors.</p>	
Determination of Benefits	
4.8 How do you handle crisis situations?	
<input checked="" type="checkbox"/>	Separate component
<input type="checkbox"/>	Fast Track
<input checked="" type="checkbox"/>	Other - Describe: <p>1. Time Frame for Authorizing Assistance for Households with a heating or cooling crisis.</p> <p>Authorize benefits to avoid disconnection, however, all applications must be processed within 48 hours (2 business days) of the application date if no verification is needed. This includes households with a future disconnection date. This does not mean issuance of benefits, but you must authorize eligibility to alleviate the crisis. These deadlines apply even if another agency is taking the application.</p> <p>If verification is needed to process the application, a DSS-8185 (Low Income Energy Assistance Program Crisis Intervention Program Information Needed) must be completed. The applicant has two business days to return the requested information. Once, information is received, the two-business day processing time begins or process the case prior to the disconnect, whichever is sooner. If the verification is not provided within two business days, the application must be denied by 5 pm on the second business day, and the household will need to reapply.</p> <p>1. 4.9 If you have a separate component, how do you determine crisis assistance benefits?	
<input checked="" type="checkbox"/>	Amount to resolve the crisis.
<input type="checkbox"/>	Other - Describe:
Crisis Requirements, 2604(c)	
4.10 Do you accept applications for energy crisis assistance at sites that are geographically accessible to all households in the area to be served?	
<input checked="" type="radio"/> Yes <input type="radio"/> No Explain.	
<p>Yes, all application sites are geographically accessible to households in that area. We have at least one location in each of our 100 counties, with some of the larger counties have two locations.</p>	
4.11 Do you provide individuals who are physically disabled the means to:	
Submit applications for crisis benefits without leaving their homes?

Section 8: Agency Designation, 2605(b)(6) - Assurance 6 (Required for state grantees and the Commonwealth of Puerto Rico)

8.1 How would you categorize the primary responsibility of your State agency?

<input type="checkbox"/>	Administration Agency
<input type="checkbox"/>	Commerce Agency
<input type="checkbox"/>	Community Services Agency
<input checked="" type="checkbox"/>	Energy/Environment Agency
<input type="checkbox"/>	Housing Agency
<input checked="" type="checkbox"/>	Welfare Agency
<input type="checkbox"/>	Other - Describe:

Alternate Outreach and Intake, 2605(b)(15) - Assurance 15

If you selected "Welfare Agency" in question 8.1, you must complete questions 8.2, 8.3, and 8.4, as applicable.

8.2 How do you provide alternate outreach and intake for HEATING ASSISTANCE?

North Carolina is county administered and State supervised. The portion of the program that includes Crisis Intervention Program (CIP) & Low Income Energy Assistance Program (LIEAP) are administered by the local county departments of social services. The weatherization portion of the program is administered by the Department of Environmental Quality (DEQ). Each county has a unique setup depending on the needs of the county.

Some counties have regional centers while others contract with the community action agencies to take the heating assistance (LIEAP) applications.

8.3 How do you provide alternate outreach and intake for COOLING ASSISTANCE?

North Carolina is county administered and State supervised. The portion of the program that includes Crisis Intervention Program (CIP) & Low Income Energy Assistance Program (LIEAP) are administered by the local county departments of social services. The weatherization portion of the program is administered by the Department of Environmental Quality (DEQ). Each county has a unique setup depending on the needs of the county.

Some counties have regional centers while others contract with the community action agencies to take the heating assistance (LIEAP) applications.

8.4 How do you provide alternate outreach and intake for CRISIS ASSISTANCE?

North Carolina is county administered and State supervised. The portion of the program that includes Crisis Intervention Program (CIP) & Low Income Energy Assistance Program (LIEAP) are administered by the local county departments of social services. The weatherization portion of the program is administered by the Department of Environmental Quality (DEQ). Each county has a unique setup depending on the needs of the county.

Some counties have regional centers while others contract with the community action agencies to take the heating assistance (LIEAP) applications.

8.5 LIHEAP Component Administration.	Heating	Cooling	Crisis	Weatherization
8.5a Who determines client eligibility?	Local County Government	Local County Government	Local County Government	Community Action Agencies
8.5b Who processes benefit payments to gas and electric vendors?	Local County Government	Local County Government	Local County Government	
8.5c who processes benefit payments to bulk fuel vendors?	Local County Government	Local County Government	Local County Government	
8.5d Who performs installation of weatherization measures?				Community Action Agencies

If any of your LIHEAP components are not centrally-administered by a state agency, you must complete questions 8.6, 8.7, 8.8, and, if applicable, 8.9.

8.6 What is your process for selecting local administering agencies?

North Carolina has 100 counties and each county has a local Department of Social Services agency where applicants can go to apply for benefits within their county for heating and cooling related crisis.

NC WAP ensures that all areas of the State have a subgrantee assigned to provide weatherization services to the eligible population. The majority of subgrantees provide service in multiple counties that generally conform to the traditional service area of the selected community action agency or other nonprofit or public organization designation to provide services. Currently there are 20 sub grantees for weatherization. Of those 20, two are county government, one is COG and one is a non-profit. The remaining 16 are community action groups. Weatherization services will continue to be provided in each area by existing subgrantees from year to year based on the successful performance of the subgrantee on the previous year's contract. The public is provided the opportunity to connect on the performance of the existing subgrantee service level during the public comment period held prior to the annual public hearing and during the public hearing. A list of proposed subgrantees along with the areas that they will serve, projected funding amounts and units to be completed is apart of annual State plan.

8.7 How many local administering agencies do you use? 20

8.8 Have you changed any local administering agencies in the last year?

- Yes
 No

8.9 If so, why?

- Agency was in noncompliance with grantee requirements for LIHEAP -
- Agency is under criminal investigation
- Added agency
- Agency closed
- Other - describe

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

Section 9: Energy Suppliers, 2605(b)(7) - Assurance 7

9.1 Do you make payments directly to home energy suppliers?

Heating	<input checked="" type="radio"/> Yes <input type="radio"/> No
Cooling	<input checked="" type="radio"/> Yes <input type="radio"/> No
Crisis	<input checked="" type="radio"/> Yes <input type="radio"/> No
Are there exceptions?	<input type="radio"/> Yes <input checked="" type="radio"/> No

If yes, Describe.

9.2 How do you notify the client of the amount of assistance paid?

The client/household will receive an approval notice in the mail informing them the benefit amount they were eligible for and which vendor and account number the benefit payment will be applied to.

9.3 How do you assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment?

Once eligibility has been determined, an applicant is provide a system generated approval/denial notice (DSS-8107). If eligibility is approved, payment is submitted to the utility provider for the applicant.

For the crisis program, benefit amount is based on the need to prevent the disconnection or the cost to restore services, this is assured by communicating with the vendor to confirm and verify this amount. For heating/cooling, the benefit amount is just a one time payment to the vendor so this is a credit on the applicant's account because these individuals have current bills and are not in a crisis state.

9.4 How do you assure that no household receiving assistance under this title will be treated adversely because of their receipt of LIHEAP assistance?

North Carolina uses the Energy Provider Agreement that has specific legal language included in the terms and conditions that ensures providers are treating all households fair. This agreement must be signed by each energy vendor to participate in our programs.

This contract funds paid on behalf of the recipient are properly applied to the recipients account to alleviate a heating or cooling emergency. The energy provider agreement meets all assurances in Section 2605.

9.5. Do you make payments contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households?

Yes No

If so, describe the measures unregulated vendors may take.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

MODEL PLAN
SF - 424 - MANDATORY**

Section 10: Program, Fiscal Monitoring, and Audit, 2605(b)(10)

10.1. How do you ensure good fiscal accounting and tracking of LIHEAP funds?

North Carolina Division of Social Services operates under a county administered and state supervised system. The county Department of Social Services agencies determine eligibility of client participation in the heating, cooling, and crisis component of LIHEAP and community action agencies determine eligibility for weatherization. Both state and county administrative costs of direct case work are charged directly to the appropriate program and supervisory and overhead cost are allocated in accordance with the cost allocation plan approved by the North Carolina Department of Health and Human Services. NC DHHS fiscal/budget Division tracks in house and subgrantees and administrative cost. Indirect cost are handled through cognizant agencies prior to the final direct cost rate being developed. Expenditures on all components of the LIHEAP plan are recorded in the North Carolina Division of Social Services accounting records by fund, cost center, and line item. Documentation of State office expenditures are maintained by the accounting office. Applications for heating, cooling, and crisis programs are taken by Department of Social Services personnel and additional State and local government entities or community based organizations. The applications are processed by the county and are retained by the county. Local State monitoring is conducted to track the LIHEAP funds used and the number of households that received assistance.

Audit Process

10.2. Is your LIHEAP program audited annually under the Single Audit Act and OMB Circular A - 133?

Yes No

10.3. Describe any audit findings rising to the level of material weakness or reportable condition cited in the A-133 audits, Grantee monitoring assessments, inspector general reviews, or other government agency reviews of the LIHEAP agency from the most recently audited fiscal year.

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM(LIHEAP) MODEL PLAN SF - 424 - MANDATORY

Section 12: Fair Hearings, 2605(b)(13) - Assurance 13

12.1 How many fair hearings did the grantee have in the prior Federal fiscal year? 6

12.2 How many of those fair hearings resulted in the initial decision being reversed? 0

12.3 Describe any policy and/or procedural changes made in the last Federal fiscal year as a result of fair hearings?

n/a

12.4 Describe your fair hearing procedures for households whose applications are denied.

Households that apply for crisis, heating, and cooling are explained their rights at the time of application. North Carolina issues notices for both approval and denials for all energy programs. The notice includes information on fair hearings, their rights and responsibilities in detail, and instructions on how to request an appeal/hearing if they do not agree with the decision.

The household has the right to appeal when they are denied the right apply for benefits, benefits are denied or a decision is not made on the application in a timely manner and payment is less than the household believes they are entitled to. Households have 60 calendar days from the date of approval/denial notice to request a hearing. The household has a right to request a State hearing only after a local appeal hearing has been held and decision has been rendered. The hearing can be requested orally or in writing. The household must request a State appeal within five calendar days from the date of local hearing decision. The State hearing officer will have 15 calendar days to render a decision. If the household is not satisfied with the final decision following the State hearing, it may be filed for a judicial review within 30 calendar days to the superior court.

12.5 When and how are applicants informed of these rights?

Applicants are informed of their rights at the time of application. Rights are also printed on all notices issued to clients.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

The applicant has the right to request a fair hearing if they feel their application was not completed or acted on in a timely manner. Our state system has a time clock and will show proof to justify this claim, it will show when the application was submitted and when it was completed and if any verifications or additional information was requested by the worker because Energy policy will provide the proper timeframes for these items.

12.7 When and how are applicants informed of these rights?

Appeal rights are explained at the time of application but are also included on the approval or denial notice that the applicant receives in the mail.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

The State, non-profit agencies and local county departments of social services receive in-kind contributions and money from fuel funds, city, and county government, private citizens and corporations. Non-profit agencies and county Departments of Social Services sign guaranties of deposits for utilities. The funds received, deposited guarantees, and rate reduction programs assist persons with energy expenses who meet the federal LIHEAP eligibility guidelines. All programs are considered prior or in conjunction with the use of LIHEAP crisis funds. There is no duplication of benefits. Many agencies coordinate with DSS office that administer the Crisis Program under LIHEAP before disbursing funds unless the program is also administered through our state system and within our DSS agencies already, like many of our private funds are.

14.3 For each type of resource and/or benefit to be leveraged in the upcoming year that will meet the requirements of 45 C.F.R. § 96.87(d)(2)(iii), describe the following:

Resource	What is the type of resource or benefit ?	What is the source(s) of the resource ?	How will the resource be integrated and coordinated with LIHEAP?
1	Heating/Cooling	Duke Progress Energy's Share the Light program. Funds are 100% from monies contributed by Progress Energy customers and employees and from corporate donations.	These are for any Duke Progress Energy customers. Benefits are considered prior to and/or in conjunction with LIHEAP crisis funds.
2	Heating/Cooling	Wake Electric Corp. Round-Up. Funds are 100% from monies contributed by Wake Electric Membership Corporation	These are for any wake electric customers. Benefits are considered prior to and/or in conjunction with LIHEAP crisis funds.
3	Heating/Cooling	Haywood Electric Co. Helping Each Member Cope (HEMC) is funded 100% from Haywood Electric Co.	These are for any Haywood Electric customers. Benefits are considered prior to and/or in conjunction with LIHEAP crisis funds.
4	Heating Assistance	Piedmont Natural Gas company share the warmth program. Funded 100% from monies contributed by Piedmont Natural Gas.	These are for any Piedmont Natural Gas customers. Benefits are considered prior to and/or in conjunction with LIHEAP crisis funds.

Section 16: Performance Goals and Measures, 2605(b) - Required for States Only

16.1 Describe your progress toward meeting the data collection and reporting requirements of the four required LIHEAP (Benefit Targeting Index, Burden Reduction Targeting Index, Restoration of Home Energy Service, and Prevention of Loss of Home Energy Service). Include timeframes and plans for meeting these requirements and what you believe will be accomplished in the coming federal fiscal year.

North Carolina Energy Programs Application is currently on target to capture the data needed for the required performance measures data. Continuous work been done to ensure improvements are made in this area.

Vendor agreements are reviewed to ensure areas have been updated to strengthen partnerships between the local DSS agencies and the vendors.

Top vendors in each category have been identified for reporting purposes.

North Carolina will collect main heating fuel information and cooling information from all households assisted by gathering information from the application process and North Carolina will pull the information for reporting from the NC FAST system. The NC FAST system requires that all information is entered to obtain expenditure data for all LIHEAP bill payments to households. We identify the top providers and send them a list of all clients for the vendors to return the last 12 months of bill data.

If any of the above questions require further explanation or clarification that could not be made in the fields provided, attach a document with said explanation here.

Section 18: Certification Regarding Debarment, Suspension, and Other Responsibility Matters

Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or

voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters--Primary Covered Transactions

(1) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency;

(b) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

(d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

(2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later

determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, [[Page 33043]] should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification Regarding Debarment, Suspension, Ineligibility an Voluntary Exclusion--Lower Tier Covered Transactions

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

By checking this box, the prospective primary participant is providing the certification set out above.

Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies.
4. For grantees who are individuals, Alternate II applies.
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about --

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification

number(s) of each affected grant;
 (f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted -(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
 (g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
 (B) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

820 Boylan Ave * Address Line 1		
Address Line 2		
Address Line 3		
Raleigh * City	NC * State	27699-2420 * Zip Code

Check if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

Section 20: Certification Regarding Lobbying

Section 20: Certification Regarding Lobbying

The submitter of this application certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Statement for Loan Guarantees and Loan Insurance

The undersigned states, to the best of his or her knowledge and belief, that:

If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions. Submission of this statement is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required statement shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(B) intervene in energy crisis situations;

(C) provide low-cost residential weatherization and other cost-effective energy-related home repair;and

(D)plan, develop, and administer the State's program under this title including leveraging programs, and the State agrees not to use such funds for any purposes other than those specified in this title;

(2) make payments under this title only with respect to--

(A) households in which one or more individuals are receiving--

(i)assistance under the State program funded under part A of title IV of the Social Security Act;

(ii) supplemental security income payments under title XVI of the Social Security Act;

(iii) food stamps under the Food Stamp Act of 1977; or

(iv) payments under section 415, 521, 541, or 542 of title 38, United States Code, or under section 306 of the Veterans' and Survivors' Pension Improvement Act of 1978; or

(B) households with incomes which do not exceed the greater of -

(i) an amount equal to 150 percent of the poverty level for such State; or

(ii) an amount equal to 60 percent of the State median income;

(except that a State may not exclude a household from eligibility in a fiscal year solely on the basis of household income if such income is less than 110 percent of the poverty level for such State, but the State may give priority to those households with the highest home energy costs or needs in relation to household income.

(3) conduct outreach activities designed to assure that eligible households, especially households with elderly individuals or disabled individuals, or both, and households with high home energy burdens, are made aware of the assistance available under this title, and any similar energy-related assistance available under subtitle B of title VI (relating to community services block grant program) or under any other provision of law which carries out programs which were administered under the Economic Opportunity Act of 1964 before the date of the enactment of this Act;

(4) coordinate its activities under this title with similar and related programs administered by the Federal Government and such State, particularly low-income

energy-related programs under subtitle B of title VI (relating to community services block grant program), under the supplemental security income program, under part A of title IV of the Social Security Act, under title XX of the Social Security Act, under the low-income weatherization assistance program under title IV of the Energy Conservation and Production Act, or under any other provision of law which carries out programs which were administered under the Economic Opportunity Act of 1964 before the date of the enactment of this Act;

(5) provide, in a timely manner, that the highest level of assistance will be furnished to those households which have the lowest incomes and the highest energy costs or needs in relation to income, taking into account family size, except that the State may not differentiate in implementing this section between the households described in clauses 2(A) and 2(B) of this subsection;

(6) to the extent it is necessary to designate local administrative agencies in order to carry out the purposes of this title, to give special consideration, in the designation of such agencies, to any local public or private nonprofit agency which was receiving Federal funds under any low-income energy assistance program or weatherization program under the Economic Opportunity Act of 1964 or any other provision of law on the day before the date of the enactment of this Act, except that -

(A) the State shall, before giving such special consideration, determine that the agency involved meets program and fiscal requirements established by the State; and

(B) if there is no such agency because of any change in the assistance furnished to programs for economically disadvantaged persons, then the State shall give special consideration in the designation of local administrative agencies to any successor agency which is operated in substantially the same manner as the predecessor agency which did receive funds for the fiscal year preceding the fiscal year for which the determination is made;

(7) if the State chooses to pay home energy suppliers directly, establish procedures to --

(A) notify each participating household of the amount of assistance paid on its behalf;

(B) assure that the home energy supplier will charge the eligible household, in the normal billing process, the difference between the actual cost of the home energy and the amount of the payment made by the State under this title;

(C) assure that the home energy supplier will provide assurances that any agreement entered into with a home energy supplier under this paragraph will contain provisions to assure that no household receiving assistance under this title will be treated adversely because of such assistance under applicable provisions of State law or public regulatory requirements; and

(D) ensure that the provision of vendor payments remains at the option of the State in consultation with local grantees and may be contingent on unregulated vendors taking appropriate measures to alleviate the energy burdens of eligible households, including providing for agreements between suppliers and individuals eligible for benefits under this Act that seek to reduce home energy costs, minimize the risks of home energy crisis, and encourage regular payments by individuals receiving financial assistance for home energy costs;

(8) provide assurances that,

(A) the State will not exclude households described in clause (2)(B) of this subsection from receiving home energy assistance benefits under clause (2), and

(B) the State will treat owners and renters equitably under the program assisted under this title;

(9) provide that--

(A) the State may use for planning and administering the use of funds under this title an amount not to exceed 10 percent of the funds payable to such State under this title for a fiscal year; and

(B) the State will pay from non-Federal sources the remaining costs of planning and administering the program assisted under this title and will not use Federal funds for such remaining cost (except for the costs of the activities described in paragraph (16));

(10) provide that such fiscal control and fund accounting procedures will be established as may be necessary to assure the proper disbursement of and accounting for Federal funds paid to the State under this title, including procedures for monitoring the assistance provided under this title, and provide that the State will comply with the provisions of chapter 75 of title 31, United States Code (commonly known as the "Single Audit Act");

(11) permit and cooperate with Federal investigations undertaken in accordance with section 2608;

(12) provide for timely and meaningful public participation in the development of the plan described in subsection (c);

(13) provide an opportunity for a fair administrative hearing to individuals whose claims for assistance under the plan described in subsection (c) are denied or are not acted upon with reasonable promptness; and

(14) cooperate with the Secretary with respect to data collecting and reporting under section 2610.

(15) * beginning in fiscal year 1992, provide, in addition to such services as may be offered by State Departments of Public Welfare at the local level, outreach and intake functions for crisis situations and heating and cooling assistance that is administered by additional State and local governmental entities or community-based organizations (such as community action agencies, area agencies on aging and not-for-profit neighborhood-based organizations), and in States where such organizations do not administer functions as of September 30, 1991, preference in awarding grants or contracts for intake services shall be provided to those agencies that administer the low-income weatherization or energy crisis intervention programs.

*** This assurance is applicable only to States, and to territories whose annual regular LIHEAP allotments exceed \$200,000. Neither territories with annual allotments of \$200,000 or less nor Indian tribes/tribal organizations are subject to Assurance 15.**

(16) use up to 5 percent of such funds, at its option, to provide services that encourage and enable households to reduce their home energy needs and

thereby the need for energy assistance, including needs assessments, counseling, and assistance with energy vendors, and report to the Secretary concerning the impact of such activities on the number of households served, the level of direct benefits provided to those households, and the number of households that remain unserved.
