Dear County Directors of Social Services

Attention: Energy Administrators, Managers & Supervisors

Subject: Crisis Intervention Program (CIP) funds reallocation

Priority: Time Sensitive, Response Required

A reallocation is being conducted for CIP due to several counties being out of funding for this program. Funds will be reallocated from counties who will not spend all their allocation based on their spending patterns and issued to counties in need of additional funding. Please indicate on the attached survey form if your county is willing to have CIP funds reallocated to other counties or if you are interested in receiving CIP funds reallocated to your county. Indicate the amount your county is willing to reallocate as well as the amount your county is requesting. Depending on the amounts reallocated, counties may not receive the exact amount that is requested. Return the Reallocation Survey by close of business on March 28, 2022.

If you have any questions, please contact Jasmyne Simmons via email at Jasmyne.Simmons@dhhs.nc.gov.

Sincerely,

A handwritten signature in blue ink that reads "Carla L. West".
