Dear County Directors of Social Services

Attention: Energy Administrators, Managers & Supervisors

Subject: Low Income Energy Assistance Program (LIEAP) Supplement Payments

Priority: Information & Action

NC FAST has completed running the LIEAP supplement payments. We are pleased to announce that we have maximized the remaining LIEAP funds to provide a greater benefit to those households in need as we exit a very costly heating season. A one-time supplement payment in the amount of \$348.40 will be issued to all households that received a LIEAP payment during SFY 2021-2022.

The report listing the one-time supplement payments is titled "**NFOMD023P-Energy One Time Supplement Report**" under Energy O&M reports and also available in FAST Help titled "**220504_LIEAP One Time Flat Rate Supplement Report 2022.**" It is available in both locations and counties may access the report to begin issuing the one-time payments. All one-time payments must be written no later than May 30, 2022.
