

Summer 2022 P-EBT Website Updates

North Carolina will issue Summer P-EBT benefits for eligible students and young children. Visit the [Summer P-EBT FAQs](#) for complete information including eligibility, benefit amount, and how benefits are issued.

There is no application for P-EBT, however, to be eligible for P-EBT:

- Students must be approved for National School Lunch Program (NSLP) free or reduced-price meals (FRP). If your student is not already approved, **an application for NSLP FRP must be submitted to your local school district by August 31, 2022** to be considered for Summer P-EBT benefits.
- Children 5 years old or younger that aren't students must be part of a household that participates in Food and Nutrition Services (FNS). If not already participating, **you must apply for FNS by August 31, 2022** to be considered for Summer P-EBT benefits.
