Dear County Directors of Social Services

Attention: Food and Nutrition Services Managers and Supervisors

Subject: ChopChop Magazine

Priority: Information and Action Required

The Supplemental Nutrition Assistance Program Education (SNAP-Ed) provides nutrition education to low-income adults and children that are below the 180% poverty level. The SNAP-Ed goal is to improve the likelihood that persons eligible for Food and Nutrition Services (FNS) or other government services, such as WIC and TANF, will make healthy food choices within a limited budget and choose physically active lifestyles consistent with the current Dietary Guidelines for Americans and the associated USDA Food Guidance System, MyPlate.

ChopChopKids is an innovative non-profit organization whose mission is to inspire and teach kids to cook real food with their families. The ChopChop magazine offers nutritious, great-tasting, ethnically diverse and inexpensive recipes, as well as interesting and little-known food facts, Q&A's and games. NC Department of Health and Human Services continues to provide to local county agencies 150 (100 in English and 50 in Spanish) copies of the ChopChop magazine on a quarterly basis to provide to FNS applicants and recipients or individuals receiving TANF or WIC. The **Fall Edition** of the Magazine will be delivered to local county agency offices around **mid-August**. Please accept delivery and ensure magazines are distributed accordingly.

It is a State requirement that each local county agency must confirm delivery. **Please confirm that your DSS agency has received your delivery of ChopChop magazines to Konnie Tran at konnie.tran@dhhs.nc.gov within 5 business days of delivery.**

If you have any questions, please contact Konnie Tran at 919-527-6319 or via the above email.

Sincerely,

Madhu Vulimiri, MPP
