

NCDHHS HBCU/MSI INTERNSHIP PROGRAM

Informational Sessions

The NCDHHS HBCU/MSI Internship program will host informational sessions for students, university advisors/faculty and other partners to learn more about the 2025 DHHS HBCU/MSI Summer Internship program that includes in-person, hybrid, and remote positions.

Informational sessions will be held on **Thursday, Feb. 6** and **Thursday, Feb. 13** from noon to 1 p.m. via TEAMS. Program staff, current and former interns will be available to answer questions. You may register for one of the two informational sessions by completing the registration form.

The NCDHHS HBCU/MSI Internship program provides more equitable opportunities for internship access within NCDHHS, which supports building a strong and inclusive workforce, one of NCDHHS' strategic priorities. The program also allows interns to learn about what public health professionals, public administrators, social workers, and policymakers do at NCDHHS.
