

Division of Child and Family Well-Being Grant Opportunities | NCDHHSREQUEST FOR APPLICATIONS

Innovative Approaches 2.0
RFA# - DCFW2025-2028WCH-RFA

Q&A

- Q1. Would you be willing to talk about this funding opportunity at an upcoming meeting?
- i. We are not able to share additional information beyond the information provided in the Request for Applications (RFA) to ensure the same opportunity for all applicants. For additional information on Innovative Approaches, please visit https://amchp.org/database_entry/innovative-approaches-community-systems-building-grants-for-children-and-youth-with-special-health-care-needs-cyshcn/. Please note that this is for informational use only as current funding includes alterations and contact information is not up to date.
- Q2. Can County Government EMS Agencies apply?
- i. This funding opportunity is limited to Local Health Departments, Health Districts, Federally Qualified Health Centers, and non-profit organizations as defined by the Internal Revenue Service. An EMS agency with documented non-profit status and demonstration of organizational, administrative, and fiscal capacity as described in Section 5.6 can apply. We encourage partnerships with eligible organizations.
- Q3. The solicitation states both that the anticipated notice of award date is December 12, 2024, and that award notifications are expected to be made by December 2, 2024, which date is correct?
- i. The anticipated date of award and notification of award is December 12, 2024. The discrepancy was a result of a typo.
- Q4. Can an organization apply as a statewide network and propose a larger budget than what the Division has outlined for one award?
- i. An organization can always propose to cover more than the minimum 3 counties or include a region of the state. An organization can submit more than one application that covers different counties or regions. It is important that activities are managed and coordinated at the county or regional level

and reflect county and/or regional needs. At this point, we are not able to alter the amount of each award.
