

Job 5: Administrative Specialist I - Division of Public Health, Division Director's Office, Strategy, Policy and Communications

Job Responsibilities and Deliverables

Intern will work with the Division's Strategy team on activities related to strategic planning, policy, and communications. Specific activities will vary based upon the interests of the intern, but will likely include conducting research, drafting communications products, and attending and reporting back on relevant meetings and events.

Management Preference

Student enrolled in a Human Services, Education, Humanities, Social Science, Business or Communications programs at a Historically Black College or University (HBCU) or Minority Serving Institution (MSI) located in North Carolina.

Knowledge, Skills, and Abilities

- Ability to work **40 virtual hours** Monday – Friday between the hours of 8 am and 5 pm.
- Ability to demonstrate knowledge and interest in DEI-related matters, within a workforce setting, including accessibility, belonging and health equity.
- Ability to effectively engage and interact with a broad and robust population of internal professionals, and external partners.
- Ability to compile, assimilate, and organize both printed and electronic information, including slide deck, and other meeting and presentation materials.
- Knowledge of data collection, storage, organization, manipulation, and/or analysis of data and apply that knowledge in creating reports, charts, and other materials.
- Ability to utilize office equipment and other relevant technology.
- Ability to present ideas clearly and effectively in written and verbal form, along with the use of grammar, organization, and structure.
- Ability To adjust language or terminology to meet the needs of the audience.

Minimum Education and Experience

High School diploma or General Educational Development (GED) diploma and two years of related administrative experience; or equivalent combination of education and experience.
