Laws and Rules Acknowledgement Statement

I _____ understand that by using my _____ Well
(printed name of applicant) (State)
Contractor License/Certificate to obtain NC Well Contractors Certification, Level _____, by reciprocity, thereby bypassing the written examination and field observation (if applicable) that it is my personal and professional responsibility to read and familiarize myself with the NC Laws and Rules listed below:

- NC General Statutes: Chapter 87, Article 7 North Carolina Well Construction Act
- NC General Statutes: Chapter 87, Article 7A North Carolina Well Contractors Certification Act
- NCAC 15A Chapter 27 Well Contractor Certification Rules
- NCAC 15A Subchapter 2C .0100 Well Construction Standards
- NCAC 15A Subchapter 2C .0200 Well Construction Standards Applicable to Injection Wells
- NCAC 15A Subchapter 2C .0300 Permitting and Inspection of Private Drinking Water Wells
- Any local County or other municipality rules in effect

I _____ understand that failure to adhere to the above listed
(printed name of applicant)
Laws and Rules when conducting well contractor activities in the state of North Carolina may result in the issuance of civil penalties from the applicable agency, and/or disciplinary action by the North Carolina Well Contractors Certification Commission.

Submit this completed request form with your application for reciprocity requesting certification as a North Carolina well contractor.

I have read and understand the Laws and Rules listed above and have completed this form.
