Statewide No Wrong Door Project	Supporting Child & Family Well-being	A No Wrong Door Vision for North Carolina (ncdhhs.gov)	North Carolinians needing long-term services and supports have easy access to information and services that maximize independence, choice, and dignity. The mission of the No Wrong Door initiative is to unify entry into North Carolina's long-term services and supports system and ensure that every individual is on a direct path to receive meaningful assistance that meets their needs.	Division of Vocational Rehabilitation Services	Tammy Koger	Tammy.Koger@dhhs.nc.gov	Monthly
Dept of Public Instruction Accessible Educational Material Project (AEM)	Strong & Inclusive Workforce	Accessible Educational Materials NC DPI	Accessible Educational Materials was previously referred to in the IDEA as Accessible Instructional Materials. "Educational materials and technologies are "accessible" to people with disabilities if they are able to "acquire the same information, engage in the same interactions, and enjoy the same services" as people who do not have disabilities. As a person with a disability, you must be able to achieve these three goals "in an equally integrated and equally effective manner, with substantially equivalent ease of use" (Joint Letter US Department of Justice and US Department of Education, June 29, 2010)."	Division of Vocational Rehabilitation Services	Julie Dutches	Tammy.Koger@dhhs.nc.gov	Monthly
NC Council for the Deaf and Hard of Hearing	Strong & Inclusive Workforce	NC DHHS: Councils and Commissions	The North Carolina Council for the Deaf and the Hard of Hearing advises the Department of Health and Human Services and the Department of Public Instruction on matters pertaining to services provided to deaf and hard of hearing individuals and their families. All meetings are open to the public.	Division of Vocational Rehabilitation Services	Kevin Earp	Alice.Farrar@dhhs.nc.gov	Quarterly
All Ages/All Stages Aging State Plan	Supporting Family Well-Being	MPA: All Ages, All Stages NC NCDHHS	"All Ages, All Stages NC: A Roadmap for Aging and Living Well" is North Carolina's multisector plan for aging (MPA). This initiative aims to provide a strategic framework and practical guidelines to ensure that individuals of all ages and stages of life can thrive and age gracefully within the state.	Division of Vocational Rehabilitation Services	Tammy Koger	Tammy.Koger@dhhs.nc.gov

North Carolina Association of Free & Charitable Clinics (NCAFCC)	Health Equity	North Carolina Association of Free & Charitable Clinics	NCAFCC is a nonprofit organization comprised of 70 member clinics serving patients in 87 of North Carolina's 100 counties. These clinics are part of a network that is providing quality care and improving the health and well-being of the uninsured and underinsured in North Carolina. NCAFCC is a member of the Community Health Grant legislative safety net group as directed in legislation	Office of Rural Health	Nicole Fields Pierre	nicole.fields-pierre@dhhs.nc.gov	Monthly
Farmworker Health Program/Co-Governance Board	Health Equity, Policy	NC Farmworker Health Program – Working to improve the health of migrant and seasonal farmworkers and their families (ncdhhs.gov)	The Farmworker Health Program/Co-Governance Board provides oversight, guidance, and support for the North Carolina Farmworker Health Program (NCFHP), a statewide Migrant Health Voucher Program within the North Carolina Office of Rural Health. As opposed to a free-standing health center, NCFHP works with local agencies to provide care throughout the state with a focus on geographical areas with high densities of farmworkers. NCFHP responds to gaps in health care that would otherwise prevent farmworkers from accessing needed care. The board is made up of those who work closely with the agricultural population or have an area of expertise that contributes to the program's success. The board fills the governing requirements for the program and is not open to the public.	Office of Rural Health	Elizabeth Freeman	Elizabeth.Freeman@dhhs.nc.gov	N/A
Farmworker Advocacy Network	Farmworker Health	Farmworker Advocacy Network	Statewide network of organizations that work to improve living and working conditions of farmworkers and poultry workers in North Carolina. Since 2003, our full members have brought workers' voices to the legislative process. In the past, we have identified and led campaigns to improve housing conditions, pesticide safety and wages. FAN's members, as they are able, work together to: Push for better workplace laws through education to the public, advocacy and research; Support efforts of farmworkers and poultry workers to be leaders in the worker justice movement; Monitor government agencies whose activities impact workers' rights, health and wellbeing. Partnership with the ORH Farmworker Health Program to support the efforts of Farmworkers to access healthcare, housing and connect with outreach and CHWs to support access to resources.	Office of Rural Health	Elizabeth Freeman	Elizabeth.Freeman@dhhs.nc.gov	Monthly (during growing season); otherwise quarterly
Department of Information Technology - Digital Equity and Learning	Digital equity for patients to access care through telehealth, telehealth program and strategy	Digital Equity Plan ncbroadband.gov	To increase support to NC communities re: broadband access to access health, jobs, education opportunities. Participated in the Digital Equity Plan and providing technical assistance for telehealth in rural and underserved communities	Office of Rural Health	Eric Bell	eric.bell@dhhs.nc.gov	Monthly

NCHA, UNC Sheps Center, Evergreen Associates, ORH	Access to rural health, critical access hospitals and rural health clinics	NC Rural Health Research Program - Sheps Center (unc.edu)	To develop programs to support the fiscal health and management of rural hospitals and rural health clinics. The group provides quarterly meetings with the hospitals and rural health programs. The planning group meets monthly.	Office of Rural Health	Nick Galvez	nick.galvez@dhhs.nc.gov	Monthly
Community Health Worker (CHW) Partner Group	Discuss CHW issues and opportunities across the state; currently funded programs, payment strategy, best practices	Home - NCCHWA - North Carolina Community Health Workers Association	To support CHWs statewide, review national, state and local trends for this workforce. Share best practices and provide feedback for DHHS and other partners.	Office of Rural Health	Moneka Midgette	moneka.midgette@dhhs.nc.gov	Quarterly
CHW Association	Community Health Worker support and certification	NC Community Health Worker Association	To support CHWs as integral healthcare workforce to enable communities and individuals to connect with resources to support their wellbeing and health in a trusted and culturally appropriate way.	Office of Rural Health	Honey Estrada	Hestrada@ncchwa.org	Monthly Contractor Meetings
North Carolina Community Health Clinic Association (NCCHCA)	Access to Care	North Carolina Community Health Center Association	NCCHCA is the HRSA funded state Primary Care Association (PCA) and Health Center Controlled Network (HCCN). FQHCs receive federal assistance for sliding-fee discounts to assure no one is denied access to care. NCCHCA represents FQHCs to state and federal officials and provides training and technical assistance on clinical, operational, financial, administrative, and governance issues. All FQHCs and FQHC Look-Alikes in North Carolina are members of the North Carolina Community Health Center Association (NCCHCA). NCCHCA is a safety net organization, one of several ORH partners with to ensure access to care. NCCHCA is a partner on the CDC-funded Community Health Worker Program. Four of the CHC sites are pilots for the inclusion of CHWs in their whole person health models. NCCHCA is also a member of the Community Health Grant legislative safety net group as directed in legislation.	Office of Rural Health	Nicole Fields Pierre	nicole.fields-pierre@dhhs.nc.gov	Monthly
NC Rural Health Association	Rural Health	NC Rural Health Association	Invested in Supporting Rural Health NCRHA is a collaborative network of associations, organizations, and individuals representing healthcare, education, economic development, local government, and a variety of other stakeholders invested in supporting rural health. The organization and its membership are committed to amplifying the voice of North Carolina's rural communities, helping foster a movement to improve the health and well-being of all citizens. As a State Office of Rural Health, our role is to provide updates to state, local and federal resources. The Association helps disseminate this information, advocate and raise awareness at the federal and state level. ORH educates, NCRHA advocates.	Office of Rural Health	Maggie Sauer	maggie.sauer@dhhs.nc.gov	Quarterly
Rural Center	Rural Health / Community Engagement	NC Rural Center	The NC Rural Center's mission is to develop, promote, and implement sound economic strategies to improve the quality of life of rural North Carolinians. We serve the state's 78 rural counties, with a special focus on individuals with low to moderate incomes and communities with limited resources. Through this partnership, ORH has the ability to connect to local economic strategies affecting health, including housing, jobs, broadband, leadership development, rural coalition building.	Office of Rural Health	Patrick Woodie	pwoodie@ncruralcenter.org	Monthly

<p>Minority Health Advisory Council</p>	<p>Health Equity, Policy, Community and Partner Engagements, Social Drivers of Health, Cultural Competency, Communication Equity, Populations and Communities Historically Marginalized (HMPs), Rural Health Needs, Community and Clinical Linkages</p>	<p>NC Minority Health Advisory Council NCDHHS</p>	<p>The 15-member Council (consisting of legislators, community leaders, and health and human services professionals from across the state) has the following duties and responsibilities in service of racial/ethnic minority communities:</p> <ul style="list-style-type: none"> - Advise and make recommendations to the Governor and Secretary of Health and Human Services - Identify limitations associated with existing laws, regulations, programs, and services - Examine the financing of and access to health services - Identify and review health promotion and disease prevention strategies - Support policies and legislation to improve accessibility and delivery of health services. The meetings are open to the public 	<p>Office of Health Equity</p>	<p>Portia Pope</p>	<p>Portia.D.Pope@dhhs.nc.gov</p>	<p>Quarterly</p>
<p>NC Minority Diabetes Prevention Program (MDPP)</p>	<p>Chronic Disease/Diabetes, Health Equity, Social Drivers of Health, Healthy Living, Chronic Kidney Disease, Populations Historically Marginalized (HMPs), Community and Partner Engagement, Rural Health Needs, Community and Clinical Linkages</p>	<p>NC Minority Diabetes Prevention Program</p>	<p>This is a statewide program and network that consists of local health departments and community-based groups working together to reduce diabetes incidence and mortality across North Carolina. This program and partners work to meet the needs of individuals, families and communities related to Diabetes prevention, management and healthy living. It also serves to meet communities where they are with unique needs (i.e., racial/ethnic groups, LGBTQIA+, persons with disabilities etc.) MDPP is composed of three main components: 1. Community screenings for prediabetes and region-specific targeted marketing campaigns in minority communities promoting prediabetes and diabetes awareness, 2. 12-month NC MDPP Lifestyle Class Series in minority communities, 3. Community conversations to minority communities across North Carolina.</p>	<p>Office of Health Equity</p>	<p>Portia Pope; Tatiana Moore</p>	<p>Portia.D.Pope@dhhs.nc.gov; Tatiana.Moore@dhhs.nc.gov</p>	<p>Monthly</p>
<p>HMP Connections Network</p>	<p>Health Equity, Social Drivers of Health, Populations Historically Marginalized (HMPs), Community and Partner Engagement, Medicaid Expansion, Rural Health Disparity Needs, Community and Clinical Linkages, Cultural Competency, Communication Equity, COVID, RSV, MPOX, Chronic Disease, behavioral health, children and families, violence and injury prevention, and much more.</p>	<p>Office of Health Equity NCDHHS</p>	<p>This is a statewide Network that focuses on whole person population health. Members join together and help community groups make resource connections, share a space to network, communicate needs and solution seeking ideas. A place to be informed, receive guidance and coaching. This is a community centered/driven space where it helps to advise and assist on strategic efforts focusing on advancing equity, reducing disparities, and improving health outcomes for groups who have been historically marginalized. This network comprised of and invites diverse groups representing the many NC communities wanting to help communities access services and solution seeking actions (i.e., Interfaith, community-based, Native American/American Indian tribes and groups, LGBTQIA+, persons/groups with disabilities, policy makers, academic, civic, private, county/regional government etc.)</p>	<p>Office of Health Equity</p>	<p>Portia Pope; Lauren Benson</p>	<p>Portia.D.Pope@dhhs.nc.gov; Lauren.Benson@dhhs.nc.gov</p>	<p>Monthly</p>

AMEXCAN's NC Community Latino Task Force	Health Equity, Culture, Education, Leadership, Health, Advocacy, community and partner engagement	Latino Health Task Force - NCIOM	The purpose of the task force is to lift up the voice of the community, and advocate across different sectors in North Carolina. The taskforce has three goals: 1) To be a multidisciplinary task force focused on Latino and marginalized issues. 2) To intensively collaborate with local community partners, community members, and federal and state representatives to educate the communities on resources and any up-to-date news. 3) To engage in our respective role as leaders and have consistency in our work.
