Achieving a Better Life Experience (ABLE)

November 2011

Federal legislation was introduced in part by U.S. Sen. Richard Burr from North Carolina.

At the time, Sen. Burr stated the ABLE Act was required because “families of individuals with disabilities often face overwhelming financial burdens associated with the expensive costs of health care, education, housing and transportation.”

December 2014

Achieving a Better Life Experience (ABLE) Act was signed into federal law by President Obama.

August 2015

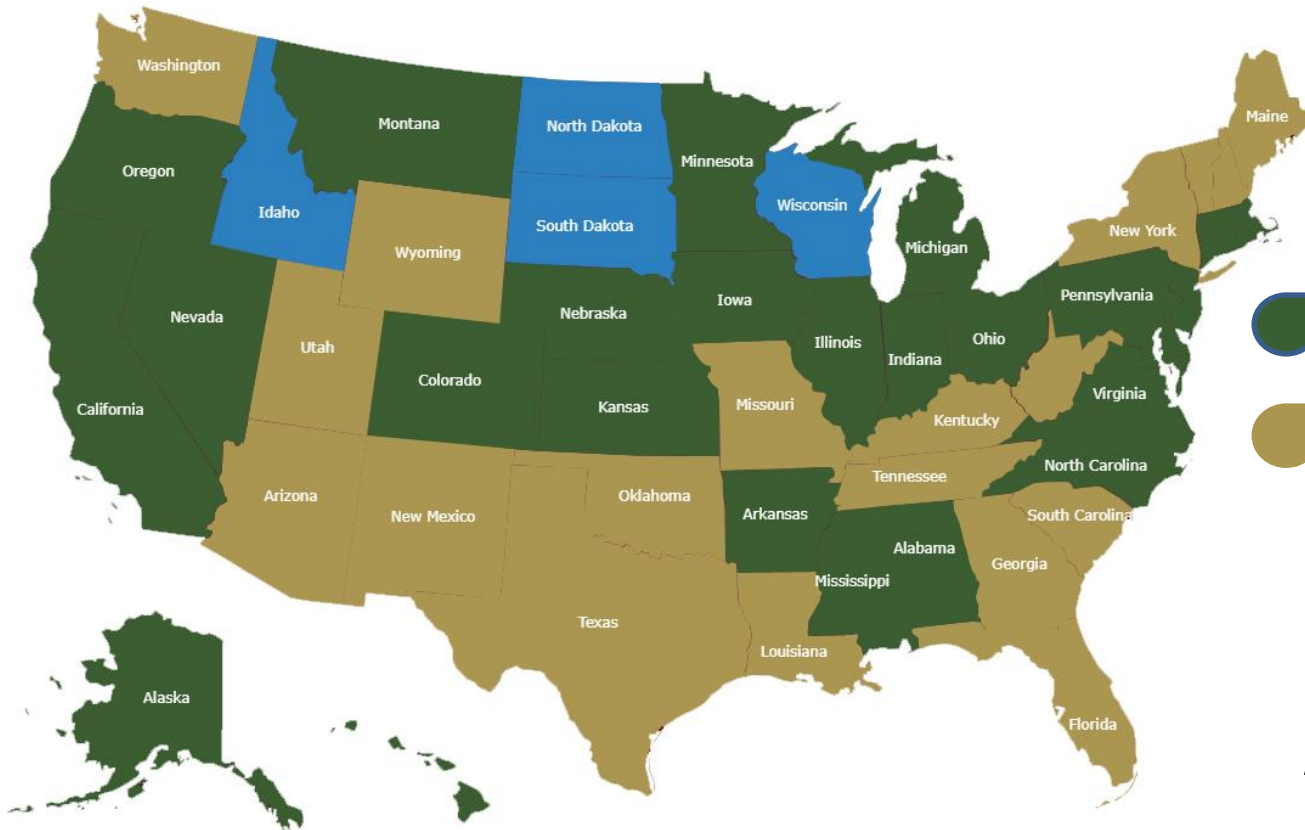

The **NC ABLE Act** was enacted, and the first accounts became available in 2017.

December 2022

The **ABLE Age Adjustment Act** was enacted as a part of SECURE 2.0. The age of eligibility will be raised to 46 in 2026.
