Dear Secretary Kinsley:

Pursuant to Session Law 2013-85, the Secretary of the Department of Health and Human Services shall complete a certification of compliance, in accordance with G.S. § 122C-124.2(a), for each local management entity/managed care organization that has been approved by the Department to operate the 1915(b)(c) Medicaid Waiver. The Secretary shall also provide a copy of the completed certification to the Senate Appropriations Committee on Health and Human Services, the House Appropriations Subcommittee on Health and Human Services, the Legislative Oversight Committee on Health and Human Services, and the Fiscal Research Division by no later than August 1, 2022.

Attached hereto, please find a summary report of the findings for fiscal solvency, clean claims payment, and HIPAA compliance for the following local management entities/managed care organizations: Alliance, Eastpointe, Partners, Sandhills, Vaya Health, and Trillium.

At this time, based on the attached records, the Division of Health Benefits (DHB) is attesting that all six organizations are appropriate for certification. Additionally, the Intradepartmental Monitoring Team (including DHB and the Division of Mental Health, Developmental Disabilities and Substance Abuse Services staff) determines that all six LME-MCOs have made adequate provisions against the risk of insolvency based on quarterly financial reports submitted to DHHS.

Sincerely,

DocuSigned by:
