## Purpose of This Manual

The WIC Vendor Manual provides instruction to assist vendors participating in the North Carolina (NC) WIC Program. This manual, effective October 1, 2021, is a source of information about proper management practices as well as the requirements and responsibilities of the authorized WIC vendor.

Most questions or problems can be resolved by referring to the WIC Vendor Manual, WIC Vendor Agreement, or by visiting the NC Vendor’s Connection webpage [www.nutritionnc.com/wic/vendor.htm](http://www.nutritionnc.com/wic/vendor.htm). Any suggestions or unanswered questions about the WIC Program can be emailed to [NCWICVendorQuestions@dhhs.nc.gov](mailto:NCWICVendorQuestions@dhhs.nc.gov) or should be directed to the Local WIC Program.

## What is WIC?

“WIC” stands for the Special Supplemental Nutrition Program for Women, Infants, and Children. The United States Department of Agriculture (USDA) funds this program throughout the United States to provide nutrition education and supplemental foods for:

- Infants;
- Children up to 5 years of age;
- Pregnant women;
- Women who have had a baby in the last 6 months (Postpartum women); and
- Breastfeeding women who have had a baby in the last 12 months

The WIC Program is designed to prevent health problems in mothers and their young children and to promote healthy habits and healthy families. The program also provides referrals to other services and support for breastfeeding women and their infants. Health professionals at Local WIC Agencies determine an individual’s eligibility for the WIC Program based on nutritional risk, household income, and residence in the state of North Carolina.

The WIC supplemental foods are good sources of important vitamins and minerals, high in fiber, and lower in fat content. The foods are individually prescribed by a health professional to meet the nutrition needs of each participant.

## What is the Role of the WIC Vendor?

Vendors play a unique role in the WIC Program and are critical to the success of the program. Local WIC Agencies issue food benefits to WIC customers on eWIC cards. WIC customers then exchange their benefits for WIC supplemental foods available at authorized vendor locations. Vendors receive payment via ACH for eWIC transactions performed at their store. Only authorized vendors may transact (accept) food benefits.

WIC vendors are not permitted to use the acronym “WIC” or the WIC logo, including facsimiles, in total or in part, in the official name in which the business is registered or in the name under which the store does business. WIC vendors are also not permitted to use the WIC logo in advertising or promotional literature, nor are vendors allowed to apply stickers, tags, or labels having the WIC acronym or logo on NC-approved WIC supplemental foods. Both the acronym and logo are registered service marks with the U.S. Patent and Trademark Office. The purpose of the restriction is to prevent use of the service marks by private sector organizations in ways likely to cause confusion in regard to their involvement with the WIC Program. It is the USDA’s policy to avoid endorsements, directly or indirectly, of any commercial product, service, or enterprise.

The State WIC Program provides shelf tags to vendors to properly identify WIC supplemental foods. If vendors choose to create their own shelf tags, they must be approved by the State WIC Program before use. Shelf tags may read “WIC Approved Item,” “WIC Approved Food,” or something similar. The tags may not include the name of a manufacturer, distributor, wholesaler, store, or brand name.

## Definitions

**Authorized Product List (APL):** the list of universal product codes (UPCs) and product look-up (PLU) codes for WIC supplemental foods, fruits and vegetables that are authorized for purchase by WIC customers. The APL must be uploaded into the vendor's point of sale (POS) system on a daily basis.

**Corporate Vendor:** a corporation, partnership, cooperative association, or other business entity that has 20 or more WIC-authorized stores/pharmacies in North Carolina that are owned and operated by the business entity.

**Crossroads:** the NC WIC Program's integrated computer system for issuance and redemption of WIC food benefits.

**Electronic Benefit Transfer (EBT):** a method that permits electronic access to WIC food benefits using a plastic card. EBT for the North Carolina WIC Program is referred to as eWIC.

**Electronic Signature:** an electronic sound, symbol, or process, attached to or associated with an application or other record and executed and/or adopted by a person with the intent to sign the record.

**eWIC:** the term used for EBT by the North Carolina WIC Program.

**eWIC Capable:** when the WIC vendor demonstrates their cash register system or payment device can accurately and securely obtain WIC food balances associated with an eWIC card, maintain the necessary files such as the authorized product list and successfully complete eWIC purchases.

**eWIC Card:** a plastic card with a magnetic stripe used to purchase North Carolina WIC authorized foods. Each card has a 16-digit Primary Account Number (PAN).

**eWIC Processor:** the entity contracted with the North Carolina WIC Program for the maintenance and operation of the Program's eWIC system that acts as the agent of the Program to process and settle eWIC transactions.

**Exempt Infant Formula:** a non-contract infant formula which requires medical documentation for issuance to a WIC participant.

**First Date to Spend:** the first day that a WIC customer can use their food benefits to obtain supplemental foods. The "First Date to Spend" is also referred to as the "First Date of Use."

**Food Benefits:** the supplemental foods a WIC customer receives from WIC for a selected month. Food benefits provide specific amounts of WIC approved foods, formulas, and/or a fixed-dollar amount for WIC customers to receive fruits and vegetables.

- **Food Benefit Balance:** unspent food benefits for the current month that are available to the cardholder to purchase WIC supplemental foods. Each month's food benefits expire at 11:59PM on the Last Date to Spend. The benefit balance is printed on the cash register receipt after each purchase.
- **Redeemed Food Benefits:** the benefits that have been used by the WIC customer after the First Date to Spend and before the Last Date to Spend.

**Free-standing Pharmacy:** a pharmacy that does not operate within another retail store. This includes free-standing pharmacies that are chain stores and free-standing pharmacies participating under a WIC corporate agreement. Pharmacies operating within a retail store, such as a chain store, are not included in this category. Such pharmacies are authorized as part of the retail store and not authorized independently.

**Last Date to Spend:** the last day that a WIC customer can use their food benefits to obtain supplemental foods. The “Last Date to Spend” is also referred to as the “Last Date of Use.”

**Minimum Lane Coverage:** the number of POS terminals necessary for a vendor to operate an eWIC system.

**Mixed Basket:** a transaction consisting of multiple tender types such as WIC, FNS benefits and debit where WIC foods do not need to be separated from other groceries.

**Multi-function Equipment:** POS equipment obtained by a WIC vendor through commercial suppliers, which is capable of supporting WIC EBT and other payment tender types. This is also known as an integrated system.

**New Authorized Vendor:** an authorized WIC vendor that has been approved to accept WIC for the first time and does not include vendors that have a previous WIC authorization history.

**Not-to-Exceed (NTE) Price:** the maximum price established by the NC WIC Program that the state will reimburse the vendor for an approved food item.

**Personal Identification Number (PIN):** a numeric password used by a WIC participant to authenticate the participant to the eWIC system.

**Point-of-sale (POS) Terminal:** an electronic device used to process eWIC card payments at authorized vendor locations.

**Predominantly WIC Vendor (PWV):** a vendor that derives more than 50% of its annual food sales revenue from WIC. **PWVs are not authorized in NC.** If the State WIC Program determines that a vendor applicant is expected to be a PWV, the vendor application will be denied. If the State WIC Program determines that an authorized vendor has become a PWV based on analysis of its food sales documentation, the vendor’s WIC Vendor Agreement will be terminated.

**Primary Account Number (PAN):** the 16-digit number on the front of an eWIC card.

**Product Look-Up (PLU) code:** an identification number placed on produce sold at authorized vendor locations.

**Universal Product Code (UPC):** an identification code printed on the packaging of WIC approved foods sold at WIC authorized vendor locations.

**WIC-eligible Nutritionals:** products specifically formulated to provide nutritional support for individuals with a medical condition when the use of conventional foods is precluded, restricted, or inadequate; these products require medical documentation for issuance to a WIC participant.

## How to Become a WIC Vendor

To become an authorized WIC vendor, vendor applicants must comply with the selection criteria established by the USDA and the NC WIC Program. A vendor applicant must:

1. Sign a Vendor Agreement with the eWIC processor or a third-party processor that has been certified according to criteria established by the eWIC processor;
2. Be eWIC capable and pass certification testing performed by the State WIC Program, when requested;
3. Be an authorized SNAP vendor (free-standing pharmacy vendors are exempt from this requirement). A vendor applicant shall not become authorized as a WIC vendor if the store is currently disqualified from SNAP or the store has been assessed a SNAP civil money penalty for hardship and the disqualification period that otherwise would have been imposed has not expired;
4. Not use the acronym “WIC” or the WIC logo, including facsimiles thereof, in total or in part, in the official name in which the business is registered or in the name under which the store does business;
5. Accurately complete the WIC Vendor Application; WIC Price List or WIC Price List for Free-standing Pharmacies; WIC Vendor Agreement or WIC Vendor Agreement for Free-standing Pharmacies; and either an Above-50-Percent Vendor Self-Declaration form (retail vendors) or Cost-Containment Exemption for Free-standing Pharmacy Vendors form;
6. Maintain current shelf prices that are not more than the NTE price for each food within the vendor applicant’s peer group (Free-standing pharmacy vendors are exempt from this requirement);
7. Pass a pre-authorization monitoring review conducted by the Local WIC Program to determine whether the store has the required minimum inventory of supplemental foods;
8. Maintain inventory within valid expiration dates;
9. Attend, or have a store manager or other authorized store representative attend, WIC Vendor Training. Ensure that the applicant’s employees receive instruction in WIC Program policies, procedures, and requirements;
10. Mark the current shelf prices of all WIC supplemental foods clearly on the foods or have the prices posted on the shelf or display case at all times;
11. Operate the store at a single, fixed location in NC. The store must be located at the address indicated on the WIC Vendor Application and must be the site at which WIC supplemental foods are selected by the WIC customer;
12. Be open for business to the public throughout the year at least six days a week, for at least 40 hours per week, between 8:00 a.m. and 11:00 p.m.;
13. Provide to WIC customers only infant formula, exempt infant formula, and WIC-eligible nutritionals purchased directly from State-approved sources;

14. Not have any owners, officers, or managers who are employed by, or who have a spouse, child, or parent employed by the State WIC Program or the Local WIC Program serving the county in which the vendor applicant conducts business. An applicant also shall not have an employee who handles or transacts WIC food or cash-value benefits who is employed by, or has a spouse, child, or parent who is employed by the State WIC Program or Local WIC Program serving the county in which the vendor applicant conducts business. Such situations present a conflict of interest;
15. Not have any owners, officers, or managers who in the last six (6) years have been convicted of or had a civil judgment entered against them for any activity indicating a lack of business integrity. Such activities include, but are not limited to: fraud, antitrust violations, embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, and obstruction of justice;
16. Not currently be disqualified from participation in the WIC Program. Additionally, the vendor applicant must not have an owner, officer, or manager that currently has, or previously had, a financial interest in a WIC vendor that was assessed a claim by the WIC Program and the claim has not been paid in full;
17. Not be expected to operate as a PWV, as determined by the State WIC Program. A PWV is a vendor that derives more than 50-percent of its annual food sales revenue from eWIC benefits;
18. Excluding chain stores and stores under a WIC Corporate Agreement that have a separate manager on-site for each store, not have an owner who holds a financial interest in any of the following: (1) another store that is disqualified from SNAP, or has been assessed a civil money penalty (“CMP”) in lieu of the disqualification and the time period during which the disqualification would have run has not expired; or (2) another store that is disqualified from the WIC Program, or has been assessed a monetary or civil money penalty in lieu of the disqualification and the time period during which the disqualification would have run has not expired; and
19. Not submit false, erroneous, or misleading information in an application to become an authorized WIC vendor or in subsequent documents submitted to the State or Local WIC Program.
20. Require an owner, manager, or other authorized store representative to complete training approved by the state WIC Program on eWIC procedures. The vendor must ensure that all cashiers and staff are fully trained on eWIC requirements, including training in the acceptance and processing of eWIC transactions.

## Competitive Pricing and Price Limitations

Federal regulations require State WIC Agencies to establish competitive pricing and price limitations for vendor authorization. Competitive pricing considers the prices a vendor charges for supplemental foods as compared to the prices charged by other authorized vendors for the same foods. Price limitations ensure that a vendor maintains competitive prices as an authorized vendor. Competitive pricing and price limitations are selection criteria that must be effective throughout the entire agreement period. Subsequent to authorization, a vendor must not increase their prices to levels that would make them ineligible for authorization.

The competitive pricing structure for the NC WIC Program has been updated to include seven (7) peer groups. Three of the established peer groups are statewide for the specified store type regardless of location. Geography is considered a factor for placement of a vendor in the remaining four peer groups. The following table provides a description of each vendor peer group.

### Vendor Peer Groups

<b>VENDOR PEER GROUPS</b>			
<b>PEER GROUP NUMBER</b>	<b>STORE TYPE</b>	<b>LOCATION</b>	<b>DESCRIPTION</b>
<b>5</b>	Pharmacy	Statewide	Free-standing pharmacy that sells a limited variety of foods
<b>6</b>	Convenience Store	Statewide	Retailer with a limited assortment of grocery items
<b>7</b>	Mass Merchandiser and Commissary	Statewide	Retailer that sells a wide variety of merchandise but also carries groceries and has store locations in most or all states  Grocery store operated by US Defense Commissary on a military base
<b>8</b>	Independent Grocery	Urban	Retailer that primarily sells groceries with fewer than 11 store locations
<b>9</b>	Independent Grocery	Non-urban	Retailer that primarily sells groceries with fewer than 11 store locations
<b>10</b>	Regional Grocery Chain	Urban	Retailer that primarily sells groceries with at least 11 store locations and operates in 2 or more states
<b>11</b>	Regional Grocery Chain	Non-urban	Retailer that primarily sells groceries with at least 11 store locations and operates in 2 or more states

The peer group for each vendor is determined using store type and geography. For example, a store that is classified as an independent grocery store that is located in a rural area will be placed in peer group nine.

## Not-to-Exceed (NTE) Prices

An NTE is established for most supplemental foods sold by vendors in peer groups 6-11. The NTE is set at two (2) standard deviations above the average shelf price for most supplemental foods within a vendor peer group. The payment for a supplemental food cannot exceed the NTE calculated for the size and brand. The NTEs are established using redemption data obtained from the eWIC system.

Formula prices depend on the type of formula. Contract standard milk and soy-based infant formulas have NTEs based on vendor redemption data. Exempt infant formulas and WIC-eligible nutritionals do not have NTEs but instead, payments are based on current shelf price.

A list of WIC-approved infant formulas, exempt infant formulas and WIC-eligible nutritionals is posted on the NC WIC Vendor's Connection web page at [www.nutritionnc.com/wic/vendor.htm](http://www.nutritionnc.com/wic/vendor.htm) and may also be obtained from your Local WIC Program.

## Application Process

Applicants, other than free-standing pharmacies, must be authorized SNAP vendors prior to applying for WIC Program vendor authorization. To be eligible to accept WIC food benefits and cash-value benefits, food retailers must be authorized by the Local and State WIC Agencies, which includes having a current WIC Vendor Agreement signed by the vendor, the Local WIC Program, and the State WIC Program. Free-standing pharmacies are authorized through the same process but can only accept food benefits issued for exempt infant formulas and WIC-eligible nutritionals. The owner, store manager, or other authorized vendor representative must attend training provided by the Local WIC Program.

Following the orientation to the WIC Program, vendor applicants not under a WIC corporate agreement must complete the following forms:

- WIC Vendor Application (DHHS 3282);
- WIC Price List (DHHS 2766) or WIC Price List for Free-standing Pharmacies (DHHS 2766-P);
  - Free-standing pharmacies are only required to submit the WIC Price List for Free-standing Pharmacies (DHHS-2766-P) for exempt infant formula and WIC-eligible nutritionals at authorization.
- WIC Vendor Agreement (DHHS 2768) or WIC Vendor Agreement for Free-standing Pharmacies (DHHS 2768-P);
- Above-50-Percent Vendor Self Declaration Form (retail vendors) or Cost-Containment Exemption for Free-standing Pharmacy Vendors form

Corporate vendors sign one (1) WIC Vendor Agreement (WIC Corporate Agreement) for all of its individual stores. In addition, corporations under a WIC Corporate Agreement are only required to complete one (1) price list for all of its individual stores – either a WIC Price List (retail vendors, DHHS 2766) or a WIC Price List for Free-standing Pharmacies (pharmacy vendors, DHHS 2766-P). Therefore, individual stores under a

WIC Corporate Agreement do not submit an individual WIC Vendor Agreement, WIC Price List, or a WIC Price List for Free-standing Pharmacies.

Following the orientation to the WIC Program, vendor applicants under a WIC Corporate Agreement are only required to complete the following forms:

- WIC Vendor Application (DHHS 3282); and
- Above-50-Percent Vendor Self Declaration Form (retail vendors) or Cost-Containment Exemption for Free-standing Pharmacy Vendors form

Vendor applicants (corporate and non-corporate) should submit all authorization-related forms to the Local WIC Program. The Local WIC Program then conducts a pre-authorization monitoring visit of the store to determine if the applicant's store meets WIC vendor requirements. A key requirement is that the store carries the required minimum inventory of WIC supplemental foods.

A vendor applicant must pass the monitoring review to become authorized. If a vendor applicant fails the first review, the Local WIC Program re-monitors within fourteen (14) days. Vendor applicants that fail the monitoring visit a second time cannot reapply for a period of ninety (90) days from the date of the second monitoring visit.

After the required pre-authorization monitoring visit has been completed, the Local WIC Program then submits the required forms to the State WIC Program for review. If a vendor applicant has prices above the NTE for its assigned peer group, the State WIC Program notifies the vendor applicant in writing. The vendor applicant is then given an opportunity to submit a revised WIC Price List within thirty (30) days. If any of the vendor applicant's resubmitted prices exceed the NTE, or the vendor does not resubmit prices within thirty (30) days, the application is denied in writing. The applicant must wait ninety (90) days from the date of the written denial to reapply for authorization.

To fully complete the authorization process, a vendor applicant must also sign a Vendor Agreement with the eWIC processor, or a third-party processor that has been certified according to criteria established by the eWIC processor prior to authorization. They must also pass certification testing, if necessary, and ensure that their staff are trained regarding eWIC policies and procedures for their store. Vendor applicants cannot be authorized without completing these requirements.

*Note: Vendor applicants that are denied WIC Program authorization receive written notification of this decision. This letter includes information regarding how to request a contested case hearing with the Office of Administrative Hearings (OAH) should the applicant wish to appeal the decision.*

A vendor applicant cannot transact (accept) WIC food benefits prior to authorization. Upon authorization, the State WIC Program will ensure that the WIC Vendor Agreement (signed by the vendor, the Local WIC Program, and the State WIC Program) is provided to the vendor.

## **Vendor eWIC Enablement and Certification**

In order to process eWIC transactions, vendors must obtain and be certified to use the appropriate POS terminal(s) and/or software. Solutran, the North Carolina eWIC processor, is responsible for facilitating all vendor enablement and certification processes. Vendor applicants must contact Solutran to obtain information and documents required for certification of the vendor's POS system and arrange for the setup of the equipment

and/or software needed to process eWIC transactions in North Carolina, as applicable. If single-function equipment is necessary for transacting eWIC, applicants will be responsible for establishing an equipment lease and paying all associated costs for the single-function equipment they obtain to transact eWIC.

To be authorized and maintain authorization as a North Carolina WIC vendor, all vendors/vendor applicants must have their POS system certified to accept eWIC by Solutran or a third-party processor that has been certified according to criteria established by Solutran. Failure to obtain/maintain certification or a single function device provided by Solutran during the time specified by the North Carolina WIC Program may result in denial of the vendor applicant's application or termination of the vendor's WIC Vendor Agreement. Vendors or vendor applicants in need of assistance with the certification process, including completion of contract documentation and set up of single function devices, may contact Solutran using the information listed below.

**Retailer Helpdesk** (available 24 hours a day, 7 days a week): 866-730-7746

**Email Address:** [ebtservices@solutran.com](mailto:ebtservices@solutran.com)

Vendors that use stand-beside devices to complete eWIC transactions should also contact Solutran for:

- Assistance with updating contract documentation;
- POS terminal and scanner training, troubleshooting and replacement; and
- Guidance on how to access the Solutran Online Vendor Portal which provides vendors with redemption-related reports and a way to search the eWIC APL file for approved foods.

Vendors with multi-function systems should contact their third party-processor if they need assistance with the areas listed above.

All vendors can contact Solutran for assistance with transaction history, settlement information, disputes, and reconciliation procedures as well as support on system adjustments and resolution of out-of-balance conditions.

Please send eWIC policy-related questions to: [NCWICVendorQuestions@dhhs.nc.gov](mailto:NCWICVendorQuestions@dhhs.nc.gov). North Carolina WIC Program vendor staff will answer your questions promptly. Guidance regarding NC eWIC is also provided on the Vendor's Connection webpage at <https://www.nutritionnc.com/wic/vendor.htm>.

## The Authorized Product List (APL)

To appropriately configure an eWIC system to approve WIC supplemental foods for purchase, vendors must be provided with the authorized product list also known as the APL. Updates are made to the APL to add new products, modify existing products and delete discontinued products, as necessary. Vendors with single function devices will automatically have the APL programmed into the device when they receive it from the eWIC processor and will receive updates to the APL through automated downloads. To obtain the most updated APL, vendors with a single-function device must unplug and plug back in the device prior to performing eWIC transactions for the day. Regardless of the type of eWIC system used, **vendors must ensure that the APL is downloaded to each eWIC device/outlet in their store at least once every 24 hours.**

Vendors, manufacturers and wholesale suppliers may submit requests to update/add UPCs to the APL by completing the web-based *NC WIC Approved Product Registration Form*. This form and the *NC WIC Approved Foods Nutrition Criteria* can be found at <https://www.nutritionnc.com/ewic/index.htm>. The *NC WIC Approved Foods Nutrition Criteria* should be reviewed before a UPC is submitted for approval.

## Mapping Requirement for Fresh Produce

Fresh fruits and vegetables must be mapped to a corresponding product look-up (PLU) code in the North Carolina WIC APL file or to the standard generic PLU for produce (4469) or organic produce (94469). This is a required process necessary to ensure that WIC customers can use their eWIC card to obtain fresh fruits and vegetables with their cash-value benefits. If mapping is not completed appropriately, produce which should be available for redemption with eWIC cash-value benefits will be denied when a WIC customer attempts to purchase it. If a WIC customer cannot purchase fresh produce with their cash-value benefits available on their eWIC card, then the vendor has failed to comply with eWIC processing requirements. Failure by a vendor to process eWIC transactions accurately may result in termination of the WIC Vendor Agreement.

## Guidelines for Processing eWIC Transactions

A sample of a North Carolina eWIC card is shown below.

A transaction is the process by which a WIC customer presents an eWIC card containing food benefits to a vendor in exchange for authorized supplemental foods allowed by the WIC Program. The transaction must take place at the vendor's store. In other words, WIC customers (the participant, parent, guardian, proxy, or compliance investigators) must select the WIC supplemental food at the vendor's store. Under no circumstances is it acceptable for a vendor to ask a WIC customer for identification. In North Carolina, WIC customers are not required to provide ID when completing WIC transactions.

The key to proper eWIC transactions is to ensure that all store personnel strictly follow procedures. If proper procedures are not followed, personnel from the State or Local WIC Program may investigate and/or conduct routine monitoring of the store.

Authorized WIC vendors may not discriminate against WIC customers. For example, an authorized WIC vendor cannot create a separate checkout line for WIC customers.

Vendors must process eWIC transactions, accurately, in a timely manner and in accordance with the terms of the North Carolina WIC Vendor Agreement, the eWIC Processor Vendor Agreement, the FNS EBT operating rules, standards and technical requirements, WIC Program rules, and state and federal regulations, and statutes.

Vendor owners, managers or other authorized store representatives must complete training on eWIC procedures prior to using the system. Furthermore, the vendor must ensure that all cashiers and staff are fully trained on eWIC requirements, including training in the acceptance and processing of eWIC transactions. The procedures used for eWIC processing are determined by the type of POS system used by the vendor.

If the vendor uses a single-function device provided by the eWIC processor, the process is as follows:

1. The WIC customer must first separate WIC supplemental foods from foods which will not be included in the transaction. If a vendor chooses to use single-function equipment, items purchased with WIC benefits will be a separate transaction from non-WIC items purchased by the WIC customer.
2. The WIC customer then swipes the card through the device and enters their PIN to authorize the transaction in lieu of a signature. If the system is not reading the card number when it is swiped, the card number may be manually entered by the WIC customer. **The vendor must never manually enter the eWIC card number or enter the PIN for the WIC customer.**
3. The vendor then scans the UPC or PLU code into the POS system for the approved supplemental food, fruit or vegetable presented for purchase by the WIC customer in the type and size available on the WIC customer's eWIC account. If the scanning device is not working, then the vendor can manually enter the correct UPC/PLU code. Foods presented for purchase that are not WIC-approved, will be rejected by the system and cannot be deducted from the WIC customer's benefit balance.
4. Once the UPC/PLU code is scanned into the POS system, the vendor must scan the item into their cash register system to determine the price for the item. Then the vendor must enter the quantity transacted and item price into the POS system.

**Steps 3 and 4 must be repeated for every approved supplemental food, fruit or vegetable presented for purchase by the WIC customer.**

5. The vendor then enters any discounts which the WIC customer is eligible for into both systems.
6. The vendor calculates a total and then submits the transaction using the single-function device.
7. The vendor provides the WIC customer with a receipt printed from the single-function device which shows the items purchased and the remaining benefit balance. The transaction is then completed/finalized in the store system.

If a vendor has questions or concerns regarding their stand-beside device(s) or how to complete a transaction, they should contact the Solutran Retailer Helpdesk at 866-730-7746 or [retailcert@solutran.com](mailto:retailcert@solutran.com).

If the vendor uses a multi-function (integrated) system, the process is as follows:

1. The vendor scans the UPC(s) and/or PLU codes for all items presented for purchase by the WIC customer, including the UPC/PLU codes for the supplemental foods, fruits or vegetables. If the scanning device is not working, then the vendor can manually enter the correct UPC(s)/PLU codes to complete the transaction. With integrated systems, it is not necessary to separate items for purchase with eWIC benefits. Integrated systems are programmed to select the correct foods by UPC/PLU code and subtract them from the WIC customer's benefit balance. Also, foods presented for purchase that are not WIC-approved, will be rejected by the system and cannot be deducted from the WIC customer's benefit balance.
2. The WIC customer swipes the card through the card reader device and enters their PIN to authorize the transaction in lieu of a signature. This can be done at any time during the transaction. If the system is not reading the card number when it is swiped, the card number may be manually entered by the WIC customer. **The vendor must never manually enter the eWIC card number or enter the PIN for the WIC customer.**
3. The vendor's cash register system determines the items that will be applied to the eWIC card and then deducted from the customer's benefit balance.
4. The vendor applies all discounts for which the WIC customer is eligible.

5. The WIC customer reviews items and then confirms the amount.
6. The vendor then submits the transaction.
7. The vendor's cash register system receives the response and the remaining balance for the transaction (if any) is presented to be paid.
8. If there are remaining items, they must be paid for using another tender type (credit/debit, cash or SNAP).
9. The vendor provides the WIC customer with a receipt which shows the items purchased and the remaining benefit balance.

**When a multi-tender transaction is performed, the WIC customer must swipe their eWIC card first before any other tender type is applied to ensure that the proper items are deducted from the WIC customer's benefit balance before another tender is used for the purchase.**

**NOTE:** The transaction guidelines for integrated systems may vary slightly based on the POS system used. Vendors with integrated systems should refer to the guidance provided for their POS system for more comprehensive instructions on how to transact eWIC using their system.

## Receipt of Purchase Requirements

The printed receipt provided to the WIC customer is a record of what was purchased at the vendor's store. Vendors must provide WIC customers with printed receipts in accordance with receipt requirements listed in the *USDA, FNS, WIC EBT Technical Implementation Guide* which can be accessed using the link below: <https://fns-prod.azureedge.net/sites/default/files/wic/WICEBTTechnicalImplementationGuide2018.pdf>

## Additional eWIC Transaction Requirements

When performing eWIC transactions the vendor must:

1. Provide to the WIC customer only the approved supplemental foods, fruits, and vegetables contained in the APL after it has been determined that the WIC customer has an available balance on the date of the transaction; the WIC customer is not required to get all of the supplemental foods available on their benefit balance or get the full dollar value of the cash-value benefits; however, a WIC customer may obtain more fruits and vegetables than the full dollar value of the cash-value benefits if the WIC customer pays the difference. This is known as a split tender transaction. Tax may be charged on the amount that exceeds the value of the cash-value benefit if the excess amount is paid in cash or other methods accepted by the vendor, except for SNAP benefits;
2. Not scan codes from UPC codebooks or reference sheets;
3. Only transmit the current shelf price of all WIC-approved supplemental foods purchased in the correct sizes, quantities and the total dollar amount of all WIC-approved supplemental foods purchased; and
4. Ensure that the checkout process for eWIC allows a reasonable degree of security for protecting the PIN used by the WIC customer.

## Transacting Food Benefits at Free-standing Pharmacies

Authorized free-standing pharmacies can transact only food benefits issued for exempt infant formula and WIC-eligible nutritionals. Food benefits for authorized fruits and vegetables and any foods other than exempt infant formula and WIC-eligible nutritionals will not be paid to free-standing pharmacies. A list of these exempt infant formulas and WIC-eligible nutritionals can be found on the Nutrition Services Branch web site at [www.nutritionnc.com/wic/vendor.htm](http://www.nutritionnc.com/wic/vendor.htm) or obtained from your Local WIC Program.

## Lost eWIC Cards

Should an eWIC card be found on the vendor's property and go unclaimed for 24 hours, the vendor must return the card to the Local WIC Agency as soon as possible. The vendor must not hold or use a WIC customer's eWIC card and PIN for any reason.

## Payments to Vendors for eWIC Transactions

Vendors receive payment for all eWIC transactions processed in their store through an Automated Clearinghouse (ACH) system in which payments are directly deposited into their bank account. With eWIC, each item has an NTE price. If a vendor submits an item price that is above the NTE, their payment will be decreased to the NTE amount for the item. Vendors are required to provide their bank account information to the eWIC processor to ensure payment for eWIC transactions.

## eWIC System Installation, Upgrades and Maintenance

Vendors must also comply with the following policies regarding eWIC system installation, upgrades and maintenance:

1. Connect the vendor's in-store system for each eWIC device/outlet covered by the WIC Vendor agreement to the State's eWIC system at least once each 24-hour period to download reconciliation files and the North Carolina WIC authorized product list (APL).
2. Maintain POS terminals used to support the WIC Program in accordance with the minimum lane coverage requirements listed below:
  - a. Superstores and supermarkets: There will be one POS terminal for every \$11,000 in monthly WIC redemption up to a total of four POS terminals or the number of lanes in the location, whichever is less;
  - b. All other vendors: There will be one POS terminal for every \$8,000 in monthly redemption up to a total of four POS terminals, or the number of lanes in the location; whichever is less.
3. Maintain a North Carolina eWIC processor certified in-store eWIC system that is available for WIC redemption processing during all hours the store is open;
4. Request the North Carolina eWIC processor re-certify its in-store system if the vendor alters or revises the system in any manner that impacts the eWIC redemption or claims processing system after initial certification is completed. The following applies:
  - a. If the eWIC system is reconfigured or modified by the vendor and/or other parties in such a way that the WIC in-store system no longer exhibits the required system accuracy, integrity or performance under which the WIC in-store system was certified, the State will not accept a redemption;
  - b. The vendor is liable for the costs of all recertification events needed to return the eWIC system for all eWIC devices/outlets covered by this agreement to full compliance with the State agency's system requirements. Failure to seek recertification when the vendor's system is altered/revised shall subject the vendor to the financial liabilities for all transactions processed.
5. For vendors with integrated systems, obtain EBT card readers to support eWIC transactions within their store(s). The vendor must ensure that the EBT card readers they obtain meets all EBT and North Carolina EBT Processor requirements. The vendor must:
  - a. Purchase EBT card terminals that are capable of properly reading eWIC card transactions;
  - b. Ensure that the EBT terminal(s) will be supported by integrated software that is fully capable of supporting WIC in-lane transactions. The vendor's POS system must meet state certification

- requirements, including interoperability and North Carolina eWIC provider requirements, prior to being placed in operation to accept EBT transactions.
- c. Acknowledge that the performance of maintenance, cost of maintenance and cost of future replacement of terminals is the vendor's sole responsibility;
6. Not charge to the North Carolina WIC Program:
    - a. any third-party commercial processing costs and fees incurred by the vendor from eWIC multi-function equipment. Commercial transaction processing cost and fees imposed by a third-party processor that the vendor elects to use to connect to the eWIC system of the state shall be borne by the vendor;
    - b. interchange fees related to eWIC transactions;
    - c. ongoing maintenance, processing fees or operational costs for vendor systems and equipment used to support eWIC unless the State Agency determines the vendor is necessary for participant access.
  7. Notify the WIC Program within 24 hours of any periods of time during which they do not maintain an Agreement with the State WIC Program's eWIC Processor or a third-party processor that has been certified according to criteria established by the state WIC Program's eWIC Processor.

## How to Maintain or End WIC Vendor Authorization

Authorized vendors wishing to maintain their WIC authorization must have on file with the State WIC Program, a signed, current WIC Vendor Agreement (DHHS 2768) or WIC Vendor Agreement for Free-standing Pharmacies (DHHS 2768-P)\*. Authorized vendors must complete a WIC Vendor Information Update (DHHS 779) each year prior to October 1 and at any time there is a change in store information. Retail grocery vendors must also submit an updated WIC Price List (DHHS 2766) within two (2) weeks of the written request of the State or Local WIC Program. All vendors must attend annual vendor training each year by September 30<sup>th</sup> to maintain authorization.

Vendors must always process EBT transactions accurately, in a timely manner and in accordance with the terms of the North Carolina WIC Vendor Agreement, the EBT Processor Vendor Agreement, the FNS EBT operating rules, standards and technical requirements, WIC Program rules, and state and federal regulations, and statutes.

*\*Note: The North Carolina WIC Vendor Agreement runs on a three (3) year cycle, with the current Agreement effective until September 30, 2024. If a vendor becomes authorized during the three-year cycle, the Agreement will be effective from the date of authorization until September 30, 2024. Authorization is not a license or property interest. Vendors must reapply for WIC authorization at the end of each contract period.*

Excluding free-standing pharmacies, a vendor must redeem at least two-thousand dollars (\$2,000) annually in WIC supplemental food sales. Failure to redeem at least two-thousand dollars (\$2,000) annually will result in the termination of the WIC Vendor Agreement.

Change of ownership shall result in termination of the WIC Vendor Agreement by the State WIC Program. The new store owner can apply for vendor authorization as described in the "How to Become a WIC Vendor" section of this manual. If a store changes its name, but not ownership, the Local WIC Program must be notified in writing of that change. A new WIC Vendor Agreement is not required.

A change in store location of more than three (3) miles from the store's previous location shall result in termination of the WIC Vendor Agreement by the State WIC Program. The store owner must reapply for vendor authorization as described in the "How to Become a WIC Vendor" section of this manual.

If the store relocation is three (3) miles or less, a new WIC Vendor Agreement is not required. Complete the WIC Vendor Information Update form (DHHS 779) and submit to the Local WIC Program.

Additionally, cessation of operations, withdrawal from the WIC Program, or disqualification from the WIC Program shall result in termination of the WIC Vendor Agreement by the State WIC Program. The store owner must reapply for vendor authorization as described in the “How to Become a WIC Vendor” section of this manual.

**Please refer to the Terms of Vendor Agreement (or Terms of Vendor Agreement for Free-standing Pharmacies) and 10A N.C.A.C. Subchapter 43D for a comprehensive list of requirements relevant to maintaining WIC vendor authorization.**

Vendors may voluntarily end their WIC Vendor Agreement at any time by providing thirty (30) days’ advance written notice to the Local WIC Program. Vendors should notify their WIC customers of the date after which they will no longer accept WIC food benefits and cash-value benefits.

Upon disqualification or termination, vendors have ten (10) business days from the day of Solutran’s email notification to return all single-function equipment. This includes all cables, cords, scanners and pin pads. Solutran will send a shipping label to the email address the vendor provided to the North Carolina WIC Program. Please note, Solutran reserves the right to initiate an Automated Clearing House (ACH) debit from the vendor’s account if equipment is not returned by the deadline.

## **How to Handle Customer Service Issues**

Local WIC Agencies are required to report significant customer service issues (complaints) about vendors to the WIC Vendor Unit. The customer service issue may come from a variety of sources including WIC customers, WIC staff, WIC vendors, and members of the general public. Depending on the nature of the customer service issue, the North Carolina WIC Program may target the vendor for investigation.

Vendors and WIC customers should report vendor and participant-related customer service issues to their Local WIC Program before contacting the State WIC Program.

When submitting a customer service issue, use the “WIC Vendor Management Customer Service Issues Form.” An example of this form can be found in the “Forms, Instructions and Resources” section of this manual.

## WIC Supplemental Foods

The WIC Program allows certain supplemental foods that are beneficial to and meet specific nutrient needs for its customers. WIC customers can obtain any WIC supplemental foods in the quantities specified or fruits and vegetables with the cash-value benefit listed on the receipt that details the WIC customer's benefit balance.

*The NC WIC Approved Foods Nutrition Criteria* document which details criteria for supplemental foods and infant formula approved for issuance may be obtained from your Local WIC Program or found on the NC WIC Vendor's Connection webpage at: [www.nutritionnc.com/wic/vendor.htm](http://www.nutritionnc.com/wic/vendor.htm). This guidance document should always be reviewed before submission of UPCs for addition to the APL as it is used by WIC Program staff for review and approval of new food products.

*Note: For more information, refer to the current NC WIC Vendor Transaction Guide*

## Sources of Infant Formula

Vendors must provide to WIC customers only infant formula, exempt infant formula, and WIC-eligible nutritionals purchased directly from State-approved sources. Failure to comply with these requirements will result in termination of the WIC Vendor Agreement. A list of approved sources (suppliers) may be obtained from your Local WIC Program or found on the NC WIC Vendor's Connection webpage at: [www.nutritionnc.com/wic/vendor.htm](http://www.nutritionnc.com/wic/vendor.htm). Vendors must retain invoices, receipts, copies of purchase orders, and any other proofs of purchase for all WIC supplemental foods, including infant formula, which details at a minimum: the name of the seller and be prepared entirely by the seller without alteration by the vendor or on the seller's business letterhead; the date of purchase and the date the authorized vendor received the WIC supplemental food at the store if different from the date of purchase; and a description of each WIC supplemental food item purchased, including brand name, unit size, type or form, and quantity. Failure to retain and provide this purchase documentation upon request can lead to disqualification from the WIC Program.

## Minimum Inventory Requirements (Retail Vendors)

To assure that WIC customers can obtain all supplemental foods prescribed, WIC retail vendors must stock the required minimum inventory of WIC supplemental foods. An exception to the minimum inventory requirement is made for free-standing pharmacies, which provide only exempt infant formula and WIC-eligible nutritionals. The required minimum inventory is listed below.

### Minimum Inventory Requirements

## Equitable Treatment and In-Store Promotions

Federal WIC regulations [7 CFR 246.12(h)(3)(iii)] require WIC-authorized vendors to offer WIC customers the same courtesies that are offered to non-WIC customers. WIC vendors may not treat WIC customers differently from non-WIC customers by excluding them from in-store promotions. This means that WIC-authorized vendors must offer in-store promotions to WIC customers that are offered to non-WIC customers and cannot disallow the use of in-store promotions in WIC transactions that are allowed in non-WIC transactions. Similarly, WIC-authorized vendors may not treat WIC customers differently by offering in-store promotions that are not offered to non-WIC customers. Failure to provide the same courtesies to WIC customers, as outlined above, is a violation of Federal WIC regulations, thereby constituting a vendor violation.

In-store promotions are defined collectively as incentive items, vendor discounts, and coupons. An incentive item is an item or service provided by a vendor to attract customers or encourage customer loyalty. Incentive items may include free beverages, foods, or baby products with the purchase of a certain WIC supplemental food.

A vendor discount is defined as an in-store promotion that reduces the price or increases the quantity of a given product. A vendor discount may also result from the use of a coupon. The most common types of vendor discounts\* are as follows:

- Buy One, Get One Free (BOGO)
- Buy One, Get One at a Reduced Price
- Free Ounces Added to Food Item by Manufacturer (Bonus Size Items)
- Transaction Discounts
- Store Loyalty/Rewards Cards
- Manufacturers' Cents Off Coupons

**Cash back is not permitted as a result of vendor discounts in any WIC transaction.** Also, please note that although there are different types of vendor discounts that can be used, the WIC customer is not responsible for paying tax which results from the use of the vendor discount, e.g., the value of a coupon. In addition, as with any WIC transaction, vendors should not return any change to the WIC customer.

**Example:** A WIC customer has a \$.50 discount coupon for a WIC approved cereal. The cashier should ring up the WIC foods and enter that total, less the \$.50, in the "Pay Exactly" box of the FI. Tax should not be charged nor change given to the WIC customer.

Value of WIC Item	Coupon Value	"Pay Exactly" Amount
\$9.80	.50¢	\$9.30

*\*Definitions for the most common vendor discounts may be found in the "Forms, Instructions and Resources" section of this manual.*

## Vendor Discounts and eWIC

The USDA WIC EBT Operating Rules specify how vendors are to apply vendor discounts when processing eWIC transactions. The most frequent vendor discount encountered is the buy one, get one free (BOGO) promotion. This is a quantity discount that many vendors use statewide. In a true BOGO, the customer pays for one item and the second item is free. If this occurs when a WIC customer uses their eWIC card to transact benefits, the free item cannot be deducted from the WIC participant's benefit balance or reported to the State Agency. If a food item is advertised as "Buy one, get one free" with the disclosure that each item is sold for half the advertised price, both food items must be redeemed and deducted from the WIC customer's WIC benefits and must reflect an item price of half the advertised price in the transaction. It is very important that the disclosure be placed in all advertising relevant to the promotion. For more information regarding application of vendor discounts, review the *USDA, FNS, WIC EBT Technical Implementation Guide* at <https://fns-prod.azureedge.net/sites/default/files/wic/WICEBTTechnicalImplementationGuide2018.pdf>

## Vendor Monitoring

The State WIC Program is required by federal WIC regulation to monitor its vendors for compliance with WIC Program requirements. Vendors are primarily monitored for program compliance through routine monitoring and compliance investigations. The State WIC Program may also use other means to determine a vendor's compliance with Program requirements.

### Routine Monitoring

Routine monitoring is overt, on-site monitoring during which program representatives identify themselves to vendor personnel. Routine monitoring is conducted by the Local WIC Program staff. The dates of monitoring visits are unannounced.

A routine monitoring visit includes, but is not limited to, the following:

- Review of infant formula invoices, receipts, copies of purchase orders, and any other proofs of purchase;
- Price checks: Verify that the current shelf prices of all WIC supplemental foods are marked on the foods or are posted on the shelf or display case at all times. Document the prices of minimum inventory items on the monitoring report;
- Treatment of WIC customers;
- Food items obtained: Determine if the vendor permits WIC customers to get non-WIC food items with WIC food benefits;
- Review of compliance with split tender requirement;
- Inventory of WIC supplemental foods: Determine if the vendor has the required minimum inventory of North Carolina approved WIC supplemental foods in the store for purchase;
- Address problems, customer service issues, comments, and questions expressed by the vendor. This is also an opportunity for the vendor to receive training;
- Quality (freshness): Verify that the WIC supplemental foods in the store for purchase are within the manufacturer's expiration date and ensure that the supplemental foods are fresh and of good quality;
- Verify that the vendor does not use the "WIC" acronym or logo in the store name, advertising, promotional literature, or on WIC supplemental food stickers, tags, or labels;

- Ensure that equipment used to transact eWIC is accessible to the WIC customer; and
- Assess compliance with eWIC minimum lane coverage requirements.

Local WIC Program staff uses a WIC Vendor Monitoring Report (DHHS 2925) located in the “Forms, Instructions, and Resources” section of this Vendor Manual to document these visits. If violations are found, the vendor must take steps to correct the violation(s), such as:

- Immediately stock in the store for purchase the required minimum inventory of WIC supplemental foods;
- Immediately remove expired WIC supplemental foods from the shelf; and
- Immediately mark the current shelf prices of all WIC supplemental foods on the foods or post the prices on the shelf or display case.

If violations are cited, the Local WIC Program will re-monitor the vendor. Failure to correct violations cited during routine monitoring visits can lead to the disqualification of the vendor from the WIC Program.

### Compliance Investigations

The State WIC Program also monitors vendors by conducting compliance investigations. Compliance buys and inventory audits are the two (2) primary types of compliance investigations.

A compliance buy investigation is a covert, on-site investigation in which a representative of the WIC Program poses as a participant, parent, proxy, or caretaker of an infant or child participant and transacts eWIC benefits. During the visits, the representative does not reveal that he/she is from the WIC Program.

An inventory audit is the examination of a vendor’s food invoices, receipts, copies of purchase orders, and any other proofs of purchase to determine whether a vendor has purchased sufficient quantities of supplemental foods to provide participants the quantities specified as eWIC food benefits transacted by the vendor during a given period of time. These records must be retained by the vendor for three (3) years or until any audit pertaining to these records is resolved, whichever is later. **Failure or inability to provide these records for an inventory audit or providing false records for an inventory audit carries a three-year disqualification from the WIC Program.** All purchase documentation for WIC supplemental foods must include the following: 1) the name of the seller and be prepared entirely by the seller without alteration by the vendor or on the seller’s business letterhead; 2) the date of purchase and the date the authorized vendor received the WIC supplemental food at the store if different from the date of purchase; and 3) a description of each WIC supplemental food item purchased, including brand name, unit size, type or form, and quantity.

### Vendor Claims

When the State WIC Program determines the vendor has committed a vendor violation that affects payment to the vendor, the State WIC Program will deny payment or assess a claim. The State WIC Program has the authority to deny payment or assess a claim in the amount of the full purchase price of all food benefits affected by the vendor violation. Denial of payment or assessment of a claim may be based on violations detected through inventory audits, compliance buy investigations, or any other means the State WIC Program deems necessary to determine WIC Program compliance. Denial of payment by the State WIC Program or payment of a claim by the vendor for a vendor violation does not negate any other sanctions applicable to the vendor for the violation.

**Example:** Payment of a claim by the vendor for a vendor violation does not negate a disqualification period that is also applicable to the vendor for the violation. The vendor must pay the claim and be disqualified.

Vendors must reimburse the State WIC Program in full or agree to a repayment plan with the State WIC Program within thirty (30) days of written notification of a claim. If a vendor fails to reimburse the State WIC Program in full or agree to a repayment plan within thirty (30) days of written notification of a claim, the WIC Vendor Agreement will be terminated. Vendor claims are not subject to appeal other than the opportunity to justify or correct as permitted by 7 CFR 246.12 (k)(3). Additionally, a vendor applicant cannot be authorized if any of the vendor applicant's owners, officers, or managers currently has, or previously had, a financial interest in a WIC vendor that was assessed a claim by the WIC Program and the claim has not been paid in full.

## Sanction System and Appeals

The NC WIC Program sanction system is predominantly a pattern-based sanction system that requires disqualification of a vendor from the WIC Program for Program violations. WIC Program violations include both federal and state-established violations.

The disqualification periods for federal violations range from one (1) year to permanent disqualification. A vendor's disqualification for federal violations may also jeopardize the vendor's SNAP authorization. The disqualification periods for state violations range from sixty (60) days to one (1) year and do not affect a vendor's SNAP authorization. Each violation has a required disqualification period for a specified number of occurrences.

**Example 1:** Two occurrences of vendor overcharging within a 12-month period requires a three-year disqualification.

**Example 2:** Three occurrences of failure to stock the required minimum inventory within a 12-month period requires a 180-day disqualification.

Please refer to the "Vendor Sanction System" on the following pages for the number of occurrences and the required disqualification period for each violation. The State WIC Program will provide the vendor written notification of an initial violation that requires a pattern of occurrences to impose a disqualification, unless the State WIC Program determines that notifying the vendor would compromise an investigation. This notice requirement does not apply to inventory audits and to violations that require disqualification after a single occurrence. A disqualified vendor can no longer accept WIC food benefits and if provided with a stand-beside device(s) to complete eWIC transactions, must return the device(s) to the eWIC contractor as soon as possible. Please refer to the Vendor Agreement of the eWIC contractor for more information.

Vendor applicants and authorized vendors may appeal certain adverse actions taken by the State WIC Program. For those adverse actions that may be appealed, the State WIC Program will provide the vendor or vendor applicant information on how to initiate an appeal in the State WIC Program's written notice of adverse action.

    - (2) The vendor is liable for the costs of all recertification events needed to return the EBT system for all outlets covered by this agreement to full compliance with the State Agency's system requirements. When the State WIC Agency determines the vendor has committed a vendor violation that affects payment to the vendor, the State WIC Agency will deny payment or assess a claim. The State WIC Agency has the authority to deny payment or assess a claim in the amount of the full purchase price of all food benefits or cash-value benefits affected by the vendor violation. Denial of payment by the State WIC Agency or payment of a claim by the vendor for a vendor violation(s) shall not absolve the vendor of the violation(s). The vendor shall also be subject to any vendor sanctions authorized under 10A N.C.A.C. 43D.0710 for the vendor violation(s);

### **Section IV -- Disqualification and Termination**

1. The State WIC Agency shall disqualify a vendor in accordance with the Vendor Sanction System referenced in Section VII of this Agreement and 10A N.C.A.C. 43D.0710.
2. The State WIC Agency may not accept voluntary withdrawal of the vendor from the WIC Program or use nonrenewal of the Vendor Agreement as an alternative to disqualification.
3. If the State WIC Agency determines that disqualification of a vendor under the Federal Mandatory Vendor Sanctions for violations B. through I. and L. would result in inadequate participant access pursuant to 10A N.C.A.C. 43D.0710(e), the State WIC Agency will impose a civil money penalty ("CMP") in lieu of disqualification in accordance with 10A N.C.A.C. 43D.0710(f)(1). If the State WIC Agency determines that disqualification of a vendor under the State Vendor Sanctions for violations A. through N. would result in participant hardship pursuant to 10A N.C.A.C. 43D.0710(f)(3), the State WIC Agency may impose a monetary penalty in lieu of disqualification in accordance with 10A N.C.A.C. 43D.0710(f)(2). 4. A second Federal Mandatory Vendor Sanction for any of the violations in B. through I. shall be doubled. A third or subsequent Federal Mandatory Vendor Sanction for any of the violations in B. through I. and L. shall be doubled with no CMP option for inadequate participant access. State Vendor Sanctions for any of the violations in A. through N. detected during a single investigation shall be cumulative, provided that the total disqualification period may not exceed one year.
5. Disqualification from the WIC Program may result in disqualification as a retailer in SNAP. Such disqualification is not subject to administrative or judicial review under SNAP.
6. A vendor applicant shall not become authorized as a WIC vendor if the store has been disqualified from participation in the WIC Program and the disqualification period has not expired.
7. A vendor applicant shall not become authorized as a WIC vendor if the store is currently disqualified from SNAP or the store has been assessed a SNAP civil money penalty for hardship and the disqualification period that otherwise would have been imposed has not expired.
8. A change in ownership, change in store location of more than three miles from the store's previous location, cessation of operations, withdrawal from the WIC Program or disqualification from the WIC Program shall result in termination of the WIC Vendor Agreement by the State WIC Agency. Change of ownership, change in store location, ceasing operations, withdrawal from the WIC Program, or nonrenewal of the WIC Vendor Agreement shall not stop a disqualification period applicable to the store.
9. Failure to redeem at least \$2,000 annually in WIC supplemental food sales shall result in termination of the WIC Vendor Agreement.
10. Failure of an owner, store manager or other authorized store representative to attend annual vendor training by September 30 of each year shall result in termination of the WIC Vendor Agreement.

11. Pursuant to 7 CFR 246.12 (g)(4)(iii), subsequent to authorization, a vendor selected for participation in the WIC Program must not increase prices to levels that would make the vendor ineligible for authorization. Failure to comply with this regulation shall result in termination of the WIC Vendor Agreement.
12. A vendor who commits fraud or abuse of the Program is liable to prosecution under applicable Federal, State, and local laws. Under 7 CFR 246.23, those who have embezzled, willfully misapplied, stolen, or fraudulently obtained program funds, or those who have knowingly received, concealed or retained such funds, shall be subject to a fine of not more than \$25,000 or imprisonment for not more than five years or both, if the value of the funds is \$100 or more. If the value is less than \$100, the penalties are a fine of not more than \$1,000 or imprisonment for not more than one year or both.
13. Either the State WIC Agency or the vendor may terminate this Agreement for cause after providing 30 days' advance written notice. This Agreement may be terminated by mutual agreement of both parties at any time. Neither the State WIC Agency nor the vendor has an obligation to renew the vendor Agreement.

### **Section V -- Appeal Procedures**

The vendor appeal procedures shall be in accordance with Section .0800 of 10A N.C.A.C. 43D. The vendor may appeal the adverse actions listed in 7 CFR 246.18 (a)(1)(i) and (a)(1)(ii). However, the following actions are not subject to administrative review: the validity or appropriateness of the State WIC Agency's vendor limiting or selection criteria; the validity or appropriateness of the State WIC Agency's participant access criteria and the State WIC Agency's participant access determinations; the State WIC Agency's determination to exclude an infant formula manufacturer, wholesaler, distributor or retailer from the State WIC Agency's list of approved sources; the State WIC Agency's determination whether to provide written notification to a vendor when an investigation reveals an initial violation that requires a pattern of occurrences to impose a sanction; the expiration of a vendor's Agreement; disputes regarding food benefit or cash-value benefit payments and vendor claims, other than the opportunity to justify or correct as permitted by 7 CFR 246.12(k)(3); and the disqualification of a vendor as a result of disqualification from SNAP.

Under 7 CFR 246.23, those who have embezzled, willfully misapplied, stolen, or fraudulently obtained program funds, or those who have knowingly received, concealed or retained such funds, shall be subject to a fine of not more than \$25,000 or imprisonment for not more than five years or both, if the value of the funds is \$100 or more. If the value is less than \$100, the penalties are a fine of not more than \$1,000 or imprisonment for not more than one year or both.
11. Either the State WIC Agency or the vendor may terminate this Agreement for cause after providing 30 days' advance written notice. This Agreement may be terminated by mutual agreement of both parties at any time. Neither the State WIC Agency nor the vendor has an obligation to renew the vendor Agreement.

However, the following actions are not subject to administrative review: the validity or appropriateness of the State WIC Agency's vendor limiting or selection criteria; the validity or appropriateness of the State WIC Agency's participant access criteria and the State WIC Agency's participant access determinations; the State WIC Agency's determination to exclude an infant formula manufacturer, wholesaler, distributor or retailer from the State WIC Agency's list of approved sources; the State WIC Agency's determination whether to provide written notification to a vendor when an investigation reveals an initial violation that requires a pattern of occurrences to impose a sanction; the expiration of a vendor's Agreement; disputes regarding food benefit payments and vendor claims, other than the opportunity to justify or correct as permitted by 7 CFR 246.12(k)(3); and the disqualification of a vendor as a result of disqualification from SNAP.

## VENDOR DISCOUNTS

A vendor discount is an in-store promotion that reduces the price or increases the quantity of a given product. Please remember that per Federal regulations [7 CFR 246.12 (h)(3)(iii)], WIC-authorized vendors may not treat WIC customers differently by not extending the same vendor discounts to them that are extended to non-WIC customers. Similarly, WIC authorized vendors may not treat WIC customers differently by offering them vendor discounts that are not offered to non-WIC customers. Common vendor discounts are listed below:

### **Buy One, Get One Free (BOGO)**

In this promotion, the WIC-authorized vendor sells one WIC food item and provides a second identical food item or a different item at no additional cost. For example, a vendor offers a free box of cereal with each box of cereal that is purchased. This is a quantity discount. Using a BOGO promotion allows WIC customers to get additional quantities of WIC foods or non-WIC items at no cost. If the free item in a BOGO promotion is a WIC food item, it should not be deducted from the participant's WIC benefits.

### **Buy One, Get One at a Reduced Price**

In this promotion, the WIC vendor sells one WIC food item at full price and sells either a second identical WIC food item or a different food item at a reduced price. For example, a vendor offers a half-price box of cereal with each box of cereal that is purchased at regular price. A buy one, get one at a reduced-price promotion is a price discount. In a transaction that only includes WIC items, this discount type only applies when the second, reduced price item is a WIC food item and the WIC customer has the item in his or her benefits balance. In this case, the WIC Program would benefit from this vendor discount by being charged the lower price for the second box of cereal.

### **Free Ounces Added to Food Item by Manufacturer (Bonus Size Items)**

In this promotion, a food manufacturer adds extra ounces to a product at no extra cost to the consumer. For example, instead of offering 16 ounces of cereal in a box, a manufacturer may temporarily offer a bonus size 18 ounce box of cereal at the same price. This promotion is a quantity discount. When a bonus size item is purchased by a WIC customer, the vendor should redeem the WIC food instrument or cash-value voucher as if the original size (16 ounce) item were purchased.

### **Transaction Discounts**

In this type of promotion, the WIC vendor applies a fixed amount discount or a discount percentage to the total dollar amount of the purchase. For example, the offer may be for \$10 off or 10% off when \$50 or more in groceries are purchased. A transaction discount is a price discount on the total purchase. In a transaction that only includes WIC items, the Program would benefit from the vendor discount being applied to the transaction.

### **Store Loyalty/Rewards Cards**

WIC-authorized vendors may provide a card or token that provides additional vendor discounts for frequent or regular customers. WIC customers are not required to use loyalty/rewards cards, nor are WIC-authorized vendors required to scan a "dummy" card for WIC customers who do not have their own cards. Store loyalty/rewards cards may provide a variety of quantity and/or price discounts. These vendor discounts should be processed by vendors as outlined above, according to type.

### **Manufacturers' Cents Off Coupons**

Manufacturers' cents off coupons allow customers to purchase certain items at a lower price. For example, a coupon may offer a price discount of 50 cents off a box of cereal. In a transaction that only includes WIC items, the value of the coupon would be applied to the WIC transaction, thus benefiting the Program.

**NOTE: Cash back is not permitted as a result of vendor discounts in any WIC transaction.** Also, although there are different types of vendor discounts that can be used, the WIC customer is not responsible for paying tax which results from the use of the vendor discount, e.g., the value of a coupon. In addition, as with any WIC transaction, vendors should not return any change to the WIC customer.

If you have any questions related to vendor discounts, please contact your Local WIC Agency.
