**Date of this notice:** January 22,2025

**Working Title of the funding program:**

Refugee Support Services- Services to Older Refugees

**Purpose- description of function of the program and reason why it was created:**

The purpose of this Request for Application (RFA) is to secure services from private, public and non-profit organizations across the state. The North Carolina Division of Social Services - State Refugee Office is issuing this RFA to ensure services exist for designated eligible populations in a wide range of locations and counties. The Services to Older Refugees Program ensures that refugees age 60 and above have access to mainstream aging services in their community. Outcomes proposed include: promoting independent living, building bridges with mainstream providers, and provision of access to naturalization support.

**Description- Brief statement of nature and scope of the program:**

The Refugee Support Services: Services to Older Refugees (RSS-SOR) program ensures that refugees age 60 and above have access to mainstream aging services in their community

The Refugee Services to Older Refugees' program will

- Provide appropriate services to all older refugees who are not currently being provided in the community
- Enable older refugees to live independently as long as possible
- Establish and/or expand a working relationship with state and local agencies to ensure refugee access to aging services
- Develop or provide access to naturalization services

RSS-SOR services are targeted to refugees who have been in the United States for less than five years, except for citizenship and naturalization preparation services, referral services, and interpreter services to refugees who have been in the United States for more than 60 months.

NOTE: Generally, a five-year time limit exists for program participants based on either of two dates: Date of arrival in the USA for those granted immigration status prior to arrival in the US, such as Refugees; or 60 months from the date immigration status was granted while in the US such as for Asylees.

The SRO, through consultation and research, have identified the following Service Priority Areas:

- 1) Engagement and Integration
- 2) Independence Support
- 3) Naturalization
- 4) Capacity Building

Eligible ORR Populations are arriving in an increasingly geographically diverse space. While the SRO may fund proposals serving many locations it would be expected that application clearly lays out how they will

provide equitable services to eligible individuals in all the counties they proposed to serve. **Please note that your application should clearly identify which Service Priority Area(s) you will be addressing, and in which counties you will provide those services.** The application should provide a description of your experience and proposed impact and outcomes of your efforts.

**Eligibility:**

Applications are invited from public or private non-profit *501(c)(3) status* agencies that can provide direct services in accordance with the RSS-SOR program policies and procedures.

Potential applicants must have *the administrative capacity and financial stability* to administer the funds if awarded as *evidenced by your most recent financial statement/audit*. Recipients of funds are expected to have written, established general agency policies which will be submitted for review.

**Private for-profit agencies are excluded from funding.**

**How to Apply:**

The RFA and instructions can be obtained by going to <https://www.ncdhhs.gov/about/grant-opportunities/social-services-grant-opportunities>. Applications must be typed and presented with the same topic headings and in the same order as set forth in Section C of this RFA. All applications must include a cover page.
