## **1.0 OVERVIEW**

The Division of Mental Health, Developmental Disabilities and Substance Abuse Services (DMH/DD/SAS) supports the expansion and enhancement of Certified Peer Support Specialist (CPSS) services for individuals with a substance use disorder (SUD) and individuals in recovery from a SUD, across North Carolina.

In 2019 North Carolina adopted a state-funded service definition for peer support services and the NC Medicaid definition became effective in 2020. Having an approved service definition for peer support services provides an additional mechanism for funding and helps with the sustainability of peer support services.

As of April 2021, there were 3,943 CPSS' in North Carolina, with only 4 counties out of 100 that did not have a CPSS residing in that county. Utilization of CPSS' that are embedded into services is integral for treatment and recovery success.

Using funds from federal discretionary grants and this RFA, DMH/DD/SAS is focusing on furthering the co-location of CPSS' in various settings, including 'non-traditional' settings, e.g., Emergency Departments, mobile treatment units, overdose response teams, opioid treatment programs (OTPs), recovery community centers, and jails/prisons.

This RFA will provide funds for organizations to expand CPSS services in North Carolina. A detailed scope of work can be found in section 5.0 of this RFA.

### **1.1 PURPOSE**

The agencies awarded funds from this RFA will expand and/or enhance access to CPSS services. Agencies must identify the setting(s) they expect to provide CPSS services in and why this setting(s) was chosen.

Applicants choosing to expand access to CPSS in non-traditional settings may benefit from receiving technical assistance from an appropriate agency. Funding from this RFA may be used to purchase technical assistance to support the successful implementation of the project.

To support the purpose of this RFA, applicants will be required to demonstrate in their application that they have the technical ability to meet the scope of work (section 5.0 of this RFA) within the grant period. Applicants can be a single agency or a partnership of agencies.

## **2.0 ELIGIBILITY**

Applicant agencies must meet the following eligibility criteria to be considered:

- Applicant agencies must:
  - be a non-profit
  - not be currently subject to any investigative or corrective actions by any investigative body
- Applicants must demonstrate that they are able to provide the service specifications and standards set forth in this RFA. Award recipients must meet all applicable DMH/DD/SAS regulations and policies, and conditions and requirements for the Substance Abuse Block Grant (SABG) grant.
- Applicant agencies that are applying as part of a partnership must clearly identify the lead agency and the other partner agencies, the roles and responsibilities of each agency should be identified and documentation confirming the partnership should be included in the appendices.

## **3.0 AWARD INFORMATION**

The total amount of funding available in this RFA is \$4,000,000. Agencies may apply for a portion of these funds or the total amount. If applying for the total amount, applicant agencies must demonstrate how these funds will address CPSS needs across the state. The anticipated period of award for this RFA is July 1, 2022 through March 14, 2023. Funds are contingent upon availability. Any extension will be contingent upon successful implementation of strategies and deliverables as defined by the implementation sites and agreed

upon by the Division, as evidenced by the selection of awardees, and contingent upon award of such funds by the federal grantor.

As stated above, one (1) or more awards will be made through this RFA, and will be based on a thorough review of all submitted complete applications and will be allocated and monitored through DMH/DD/SAS.

Cost sharing or matching is not required.

**Subcontracting:** The Contractor shall not subcontract any of the work contemplated under this contract without prior written approval from the Division. Any approved subcontract shall be subject to all conditions of this contract. Only the subcontractors specified in the contract documents are to be considered approved upon award of the contract. The Division shall not be obligated to pay for any work performed by any unapproved subcontractor. The Contractor shall be responsible for the performance of all of its subcontractors.

**Assignment:** No assignment of the Contractor's obligations or the Contractor's right to receive payment hereunder shall be permitted. However, upon written request approved by the issuing purchasing authority, the State may: (a) Forward the Contractor's payment check directly to any person or entity designated by the Contractor, or (b) Include any person or entity designated by Contractor as a joint payee on the Contractor's payment check. In no event shall such approval and action obligate the State to anyone other than the Contractor and the Contractor shall remain responsible for fulfillment of all contract obligations.

**Beneficiaries:** Except as herein specifically provided otherwise, this contract shall inure to the benefit of and be binding upon the parties hereto and their respective successors. It is expressly understood and agreed that the enforcement of the terms and conditions of this contract, and all rights of action relating to such enforcement, shall be strictly reserved to the Division and the named Contractor. Nothing contained in this document shall give or allow any claim or right of action whatsoever by any other third person. It is the express intention of the Division and Contractor that any such person or entity, other than the Division or the Contractor, receiving services or benefits under this contract shall be deemed an incidental beneficiary only.

### Services

**Service Standards:** During the term of the Agreement the Contractor and its employees, agents, and subcontractors shall provide high quality professional services consistent with the standards of practice in the geographic area and with all applicable federal, state, and local laws, rules and regulations, all applicable ethical standards, and standards established by applicable accrediting agencies. The Contractor and its employees, agents and subcontractors shall exercise independent professional judgment in the treatment and care of patients.

**Records:** During the term of this Agreement, the Contractor and its employees, agents, and subcontractors shall maintain complete and professionally adequate medical records consistent with the standards of practice in the geographic area and their respective health care professions. The Contractor and its employees, agents, and subcontractors shall prepare all reports, notes, forms, claims and correspondence that are necessary and appropriate to their professional services.

**Licenses:** During the term of this Agreement, the Contractor and its employees, agents, and subcontractors shall hold, current facility and occupational licenses and certifications at the levels required to practice their professions and to provide the contracted services in the State of North Carolina.

### Indemnity and Insurance

**Indemnification:** The Contractor agrees to indemnify and hold harmless the Division, the State of North Carolina, and any of their officers, agents and employees, from any claims of third parties arising out of any act or omission of the Contractor or its employees, agents, or subcontractors in connection with the performance of this contract.

- (a) **Insurance:** During the term of the contract, the Contractor shall provide, at its sole cost and expense, commercial insurance of such types and with such terms and limits as may be reasonably associated with the contract. - (1) **Professional Liability Insurance:** The Contractor shall ensure that the Contractor and its employees, agents, and subcontractors each maintain through an insurance company or through a program of self-funded insurance, professional liability insurance with limits of at least \$1,000,000 per occurrence and at least \$3,000,000 in the aggregate.

  - (3) **Employer's Liability Insurance:** The Contractor shall provide employer's liability insurance, with minimum limits of \$500,000.00, covering all of the Contractor's employees who are engaged in any work under the contract.
  - (4) **Commercial General Liability Insurance:** The Contractor shall provide commercial general liability insurance on a comprehensive broad form on an occurrence basis with a minimum combined single limit of \$1,000,000.00 for each occurrence.
  - (5) **Automobile Liability Insurance:** The Contractor shall provide automobile liability insurance with a combined single limit of \$500,000.00 for bodily injury and property damage; a limit of \$500,000.00 for uninsured/under insured motorist coverage; and a limit of \$2,000.00 for medical payment coverage.     - (B) hired by the Contractor and used in the performance of this contract; and
    - (C) owned by Contractor's employees and used in performance of this contract ("non-owned vehicle insurance"). Non-owned vehicle insurance protects employers when employees use their personal vehicles for work purposes. Non-owned vehicle insurance supplements, but does not replace, the car-owner's liability insurance. The Contractor is not required to provide and maintain automobile liability insurance on any vehicle – owned, hired, or non-owned -- unless the vehicle is used in the performance of this contract.
- (b) The insurance coverage minimums specified in subparagraph (a) are exclusive of defense costs.

In that event, all finished or unfinished deliverable items prepared by the Contractor under this contract shall, at the option of the Division, become its property and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such materials, minus any payment or compensation previously made.

**Termination for Cause:** If, through any cause, the Contractor shall fail to fulfill its obligations under this contract in a timely and proper manner, the Division shall have the right to terminate this contract by giving written notice to the Contractor and specifying the effective date thereof. In case of default by the

Contractor, without limiting any other remedies for breach available to it, the Division may procure the contract services from other sources and hold the Contractor responsible for any excess cost occasioned thereby. The filing of a petition for bankruptcy by the Contractor shall be an act of default under this contract.

**Waiver of Default:** Waiver by the Division of any default or breach in compliance with the terms of this contract by the Contractor shall not be deemed a waiver of any subsequent default or breach and shall not be construed to be modification of the terms of this contract unless stated to be such in writing, signed by an authorized representative of the Department and the Contractor and attached to the contract.

**Availability of Funds:** The parties to this contract agree and understand that the payment of the sums specified in this contract is dependent and contingent upon and subject to the appropriation, allocation, and availability of funds for this purpose to the Division.

**Force Majeure:** Neither party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations by any act of war, hostile foreign action, nuclear explosion, riot, strikes, civil insurrection, earthquake, hurricane, tornado, or other catastrophic natural event or act of God.

**Survival of Promises:** All promises, requirements, terms, conditions, provisions, representations, guarantees, and warranties contained herein shall survive the contract expiration or termination date unless specifically provided otherwise herein, or unless superseded by applicable Federal or State statutes of limitation.

During the performance of this contract, the contractor is to notify the Division contract administrator of any contact by the federal Office for Civil Rights (OCR) received by the contractor.

## Conflict of Interest Policy Example

The Board of Directors/Trustees or other governing persons, officers, employees or agents are to avoid any conflict of interest, even the appearance of a conflict of interest. The Organization's Board of Directors/Trustees or other governing body, officers, staff and agents are obligated to always act in the best interest of the organization. This obligation requires that any Board member or other governing person, officer, employee or agent, in the performance of Organization duties, seek only the furtherance of the Organization mission. At all times, Board members or other governing persons, officers, employees or agents, are prohibited from using their job title, the Organization's name or property, for private profit or benefit.

A. The Board members or other governing persons, officers, employees, or agents of the Organization should neither solicit nor accept gratuities, favors, or anything of monetary value from current or potential contractors/vendors, persons receiving benefits from the Organization or persons who may benefit from the actions of any Board member or other governing person, officer, employee or agent. This is not intended to preclude bona-fide Organization fund raising-activities.

B. A Board or other governing body member may, with the approval of Board or other governing body, receive honoraria for lectures and other such activities while not acting in any official capacity for the Organization. Officers may, with the approval of the Board or other governing body, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. Employees may, with the prior written approval of their supervisor, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. If a Board or other governing body member, officer, employee or agent is acting in any official capacity, honoraria received in connection with activities relating to the Organization are to be paid to the Organization.

C. No Board member or other governing person, officer, employee, or agent of the Organization shall participate in the selection, award, or administration of a purchase or contract with a vendor where, to his knowledge, any of the following has a financial interest in that purchase or contract:

1. The Board member or other governing person, officer, employee, or agent;
2. Any member of their family by whole or half blood, step or personal relationship or relative-in-law;
3. An organization in which any of the above is an officer, director, or employee;
4. A person or organization with whom any of the above individuals is negotiating or has any arrangement concerning prospective employment or contracts.

D. **Duty to Disclosure** -- Any conflict of interest, potential conflict of interest, or the appearance of a conflict of interest is to be reported to the Board or other governing body or one's supervisor immediately.

E. **Board Action** -- When a conflict of interest is relevant to a matter requiring action by the Board of Directors/Trustees or other governing body, the Board member or other governing person, officer, employee, or agent (person(s)) must disclose the existence of the conflict of interest and be given the opportunity to disclose all material facts to the Board and members of committees with governing board delegated powers considering the possible conflict of interest. After disclosure of all material facts, and after any discussion with the person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

In addition, the person(s) shall not participate in the final deliberation or decision regarding the matter under consideration and shall leave the meeting during the discussion of and vote of the Board of Directors/Trustees or other governing body.

F. **Violations of the Conflicts of Interest Policy** -- If the Board of Directors/Trustees or other governing body has reasonable cause to believe a member, officer, employee or agent has failed to disclose actual or possible conflicts of interest, it shall inform the person of the basis for such belief and afford the person an opportunity to explain the alleged failure to disclose. If, after hearing the person's response and after making further investigation as warranted by the circumstances, the Board of Directors/Trustees or other governing body determines the member, officer, employee or agent has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

G. **Record of Conflict** -- The minutes of the governing board and all committees with board delegated powers shall contain:
