

NC Office of Rural Health Placement Services

The Office of Rural Health Placement Services Team **is available to assist you with your health care career.** We serve primary care, behavioral health and dental providers who have a desire to work in rural, urban underserved areas, or state operated health care facilities in NC by:

- ✓ Connecting providers with open **job opportunities**
- ✓ Helping you **network** with communities, organizations, and hiring officials
- ✓ Exploring federal and state **financial incentive** resources (*Loan Repayment and High Needs Service Bonus*) to assist with recruitment and retention efforts

For more information about your eligibility, please see our website and/or contact the recruiter assigned to your service area. If you're undecided, please contact the recruiter assigned to the service area of your training program.
