* This column shows the total number of **report submission** measures that are applicable this quarter. Some reports are due quarterly, two are due semi-annually, and one is due annually.

★ Indicates the LME-MCO met the performance standard for the measure.

% Percents that are highlighted green indicate the LME-MCO met the performance standards for at least 65% of the measures in the respective category (e.g. report submission and/or data submission). Meeting the performance standards for at least 65% of the measures is one of the factors considered in LME-MCO monitoring decisions.

N/A Indicates measures that were not applicable this quarter.
