Dear Chairmen:

North Carolina Session Law 2017-57, Section 11F.2.(c), requires the Department of Health and Human Services ("Department") to modify the monthly reporting package submitted by the Local Management Entities-Managed Care Organizations (LME-MCOs) to the Department to include revenues and expenditures for the State funding sources for single stream, intellectual and developmental disability, and substance abuse services on Schedule D2. Additionally, the Department is required to modify appropriate schedules in the LME-MCO monthly reporting package to include unduplicated recipients and encounters in the same level of detail included in each D schedule for each source of funding for the reporting for the current and previous year's month and year to date periods.

Each of the LME/MCOs have met, or exceeded, their 2015 Service Level Requirements for SFY 2020.
