

Incoming Patient Information: WBJ ADATC

Welcome to the Walter B Jones Alcohol and Drug Abuse Treatment Center (WBJ ADATC) and we are glad you are going to be admitted to our facility! Below are some things you will need to know to prepare you for admission.

About the Program:

WBJ ADATC is a State operated Alcohol and Drug Abuse Treatment Centers (ADATCs) specifically designed to provide inpatient treatment, psychiatric stabilization, and medical detoxification for individuals with substance use and other co-occurring mental health diagnoses to prepare for ongoing community-based treatment and recovery. Your treatment stay will be about 5-to 14 days on average depending on your individual treatment needs.

What to Expect at Admission:

On the day of admission, you will be fully assessed so that we can properly identify your treatment goals. You should expect to see the medical doctor, nurse, psychiatric doctor, and others. You will be provided scrubs during for the first few days of your stay. Please have seven (7) outfits with you when you arrive. While you are in scrubs, your clothing is washed and returned to you.

To help the process go faster, please carefully review the list of Patient Belongings Approved/Not Approved During Treatment contained at the end of this letter.

Alcohol and drug screening will be conducted at your admission. If our physician feels that you need a level of care we do not offer, we will refer you back to your MCO/Provider and/or to a provider that can offer you the most appropriate level of care.

It is very important that you keep your appointment date and time. If you will be later than 30 minutes, or cannot keep your appointment, please call (252) 707-5009 to schedule a new date and time for admission. You are responsible for arranging your transportation to and from the facility. WBJ can assist with discharge transportation if you are not able to make those arrangements.

Cost for Services:

WBJ-ADATC does not deny anyone care based on your ability to pay. However, treatment services at WBJ-ADATC are not free and your daily rate for services is based on a sliding scale. Please bring proof of identification, proof of financial status, and any health insurance, Medicare and/or Medicaid cards.

If You Wish to Bring or Receive Money While at ADATC:

Please bring enough money for personal needs such as transportation home, etc. You may keep up to \$40.00 on your person. Any additional funds you bring will be stored and returned to you at discharge.

Medications:

Our physicians will evaluate and may prescribe your medications while you are at our facility. WBJ ADATC will supply any medications prescribed by our physicians. However, we will need to know the prescribed medications that you are presently taking. Please bring your prescription medications and an accurate list that includes the name, dosage, and frequency of use. This medicine will be reviewed by the admissions staff and stored while you are in treatment. If you are taking antibiotics or medications for HIV or Hepatitis C be sure to bring those medications with you to ensure continuation of the medication course.

Directions:

WBJ ADATC is located at 2577 West 5th Street, Greenville, NC, 27834. For direction(s) please search WBJ ADATC online, visit our website at <https://www.ncdhhs.gov/divisions/dsohf/walter-b-jones-alcohol-and-drug-abuse-treatmentcenter> or call (252) 830-3426. We hope you will find these suggestions helpful as you prepare for your journey toward recovery. We look forward to your admission. For more information, please contact the front desk at (252) 830-3426.
