Letter of Reference for Well Contractor Certification Applicant

This letter is submitted with the knowledge that well contractor activity means the construction, installation, repair, alteration or abandonment of any well. In order to be qualified to take the Well Contractor Certification examination, an applicant must provide proof that said applicant has been engaged in well contractor activities within the past seven years to meet the experience requirement (full-time equivalent) for the certification level the applicant is seeking (Level A- 18 months, Level B- 12 months, Level C- 6 months, Level D- 6 months). Plumbing and/or electrical service cannot be considered for purposes of meeting these experience requirements.

I verify, based on my personal knowledge, that Homer E. Simpson (*applicant*) has performed sufficient level-related well contractor activities to meet the minimum requirements for Level A certification. **I realize that any questions I may have concerning experience requirements may be directed to the Commission at the address listed on this form or by calling the Commission's staff at (919) 707-5882. I have discussed my questions or reservations, if any, with the Commission's staff prior to signing this form and having it notarized.**

I, Mike Smith, have known the above- referenced
